Work Area Reports

Altar Guild—Marianna Harris

All is going well.

Christmas—Glenda Blue

Glenda is checking various vendors for artificial wreaths for Christmas.

Flowers—Linda Paul

The calendar continues to fill up. A suggestion was made to find sturdier altar vase liners.

Streaming during Communion has been corrected. New linens for communion are needed.

New batteries for the hearing devices have been ordered.

Weddings—Mary Holden Burke

Concerns about the July wedding reception in the Heritage Center are being discussed.

Aldersgate—Carol Sineath

Daniel Polito requested that extra bread and more gluten-free elements be available. Carol Sineath agreed to make a larger loaf going forward.

Melissa Miller—Acolytes

Continuing to recruit new youth to participate.

Asked for clarification as to when the pascal candle should be lit.

Reported that there was some new member interest from parents who attended the Playschool Sunday service.

Music—Matt Estes

Several of the large organ pipes will be removed for repair this summer. The work will take place in the handbell room which will be locked.

Matt requested approval of new microphones that will hang from the ceiling to improve livestreaming. A motion was made and approved to make this improvement. The handbell choir will continue to perform from the balcony approximately once a month September thru May. Concern about people being able to sit in the balcony on those Sundays has been expressed.

Pastor's Time

Ray Warren praised those participating in all the Holy Week services. There was a discussion of lighting during the Maundy Thursday service.

Ray Warren closed the meeting with a prayer.

Respectfully submitted,
Linda Paul
