

# Who we are

Operating since 1986, CityWatch is a Brunswick-based security company that serves the nation's industries with reliable, auditable protection.

CityWatch is backed by 30+ years' experience, intelligent systems, and specialist personnel, hand-selected for their skills, discretion and professionalism.

CityWatch are among the few security providers with a dedicated Patient Watch service and Fire Protection Officers and locally based cloud storage.

We move with the times, delivering transparent and secure reporting systems that make compliance something you can see.
