

## ST. BERNARD'S FISH FRY VOLUNTEERING

Volunteering at the St. Bernard's Fish Fry is one of the most impactful ways families can support our parish and school. This fundraiser truly supports everything St. Bernard's does—from parish outreach and ministries, to the school, buildings and grounds, and organizations that serve our wider community.

For families with youth in faith formation and youth group programs, volunteering has an added benefit. Each hour volunteered earns \$10/hour toward your family youth account, helping cover the cost of activities ranging from local outings like skiing to major events such as St. John Paul II Bible camp and mission trips. Volunteers who assist with end-of-night clean-up earn \$20/hour, maximizing their impact even more.

We truly need all hands on deck and are deeply grateful for every volunteer's time and commitment.

Getting involved is easy—simply click on the dates that work best with your schedule and select a time slot where help is needed. Together, we make it all possible.
