EPSC Parent/Player Fees Policy

The following details the financial commitment a family is making when signing up at EPSC.

Club Fees

These are the club registration fees that are paid in full or monthly installment once you register at EPSC.

All club fees must be paid up to date or players risk having their playing privileges removed.

Any player's Club Fees that are overdue by one calendar month or more will be considered ineligible to participate if they do not have a written plan for payment submitted and approved by the Executive Director.

If you are struggling to pay, we want to work with you, so the player is not affected, please contact Club Admin. to make arrangements Admin@EPSoccerClub.com

Team Fees

Players are responsible for keeping up to date with team fees.

Such fees are typically for team expenses that are more beyond the control of the club.

- Tournament Fees
- Team Meeting Costs
- Extra Equipment Costs
- Coach Travel
- Player Travel

These are all examples of some items that would not be included in club fees but may occur.

Tournament Fees

All members of the squad shall pay equally for tournament fees.

These will be collected early in the soccer year and once collected are not refundable*

*If a team member chooses to not attend a tournament, they are still eligible for their share of the cost unless there is a long-term injury situation.

Team Travel

Players are responsible for all costs associated with travel inc. coach expenses.

If a player is struggling with travel expenses for showcase events they should let the team coach know and every effort will be made to help the player attend if at all possible.

EPSC

PASSION, RESPECT, EXCELLENCE

Players who elect not to travel will still pay their share of team costs for travel events.

Only in the case of a serious long-term injury will players be removed from the team costs. In this case the coach should seek guest players to fill in the void.

[Guest Players](#)

Guest players will NOT pay team travel expenses but will pay for their own personal travel such as flight or gas costs. If traveling by team bus they will not be responsible for that cost.

Parents of team guest players will pay per person per seat if traveling by team bus.

Guest Players traveling to replace a non-paying member, such as a long-term injury case, will pay all team fees associated with the event they are attending.

[Uniforms and Extra Clothing Items](#)

Players are responsible for purchasing all club assigned uniform items as mandated by EPSC.

Extra “Teamwear Items” must be approved by EPSC. And the cost is the responsibility of the team/player.

[Financial Aid](#)

Any player who is struggling to make club fee payments or knows they cannot afford full cost should apply for financial aid.

The team manager or treasurer, if team has one, will be responsible for communicating and collecting team fees.

Any manager who has issues with the collection of player team fees shall immediately involve the EPSC Executive Director to avoid conflict within the team group if possible.

[Gifting Players](#)

Any team may decide to help a player with costs and especially team fees and travel.

This will only be done if all members agree to do so. Under no circumstances can teams build in additional costs to “carry” a non-paying member without the approval of all the group.
