## Iconic Tracks Tour

### Tanami, Oodnadatta and Strzelecki Tracks

Have you ever wanted to travel some of the most iconic tracks the outback has to offer? If so, then this is the tour for you. The Tanami Track, Oodnadatta Track, and the Strzelecki Track are yours to enjoy on this 3-week expedition.

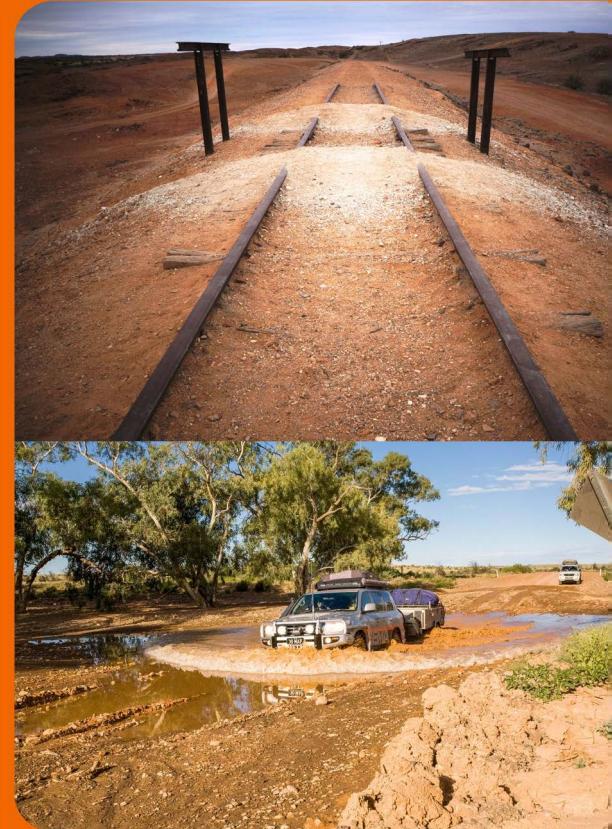

Starting in Kununurra in Western Australia, we head south to Halls Creek before turning left onto the Tanami Track, enjoying such sites along the way as Wolfe Creek Crater. After a few days on the Tanami we arrive at the oasis they call Alice Springs. Here we spend a couple of days exploring The Alice, including the Transport Hall of Fame.

From Alice we head south down The Old Ghan rail line to Chambers Pillar. This route is nothing short of spectacular, and eventually we will be arriving at Lamberts Geographical Centre of Australia. From here we touch on the western edge of the Simpson Desert at the Mount Dare Hotel. Be sure to bring your swimmers for a relaxing afternoon in Dalhousie Springs. Oodnadatta is our next stop, and here we will join the Oodnadatta Track. On the Oodnadatta Track you will see such sites as Lake Eyre South, numerous rail bridges on the now-disused Old Ghan Line, and what a lot of people say is one of the biggest and best art galleries in the outback. Marree forms the junction of the Oodnadatta and Birdsville Tracks. This historic town has some great railway memorabilia, and boasts the oldest mosque in the country, courtesy of the Afghan Cameleers. Be sure to check out the Tom Kruse (The Birdsville Mailman) Room in the Marree hotel.

From Marree, we head for Lyndhurst and the start of the Strzelecki Track. We will spend 2 days on the Strzelecki before arriving at Cameron Corner, the junction of New South Wales, South Australia and Queensland. Our trip will finish with a farewell dinner at Tibooburra.
