

Welcome to this edition of the Lighthouse Newsletter!

From flavorful adventures in the kitchen to exciting field trips and community outings, there's been no shortage of fun, learning, and connection at Lighthouse for the Blind of the Palm Beaches. Our programs are creating unforgettable memories, empowering individuals of all ages, and fostering a sense of community for everyone involved. Read on to catch up on the latest highlights, upcoming events, and inspiring stories that showcase the incredible impact of your support!

Happening at the Lighthouse:

A Flavorful Adventure for Kid's Camp

Last month, our Kid's Camp had an unforgettable experience at Recipes for Success, where young chefs rolled up their sleeves for a day of hands-on cooking fun!

With the guidance of the talented and inspiring Chef Greg, campers created culinary magic—crafting delicious meatballs, twirling up fresh pasta, and tossing vibrant salads, all from scratch. The kitchen buzzed with laughter and excitement as the kids discovered the joy of cooking and the pride of making something truly tasty.

Recipes for Success is more than just a cooking program—it's a launchpad for creativity, teamwork, and lifelong skills. Chef Greg's summer sessions turned the kitchen into a playground where young campers explored new flavors, learned valuable techniques, and sparked a passion for creating in the kitchen.

Who knew learning could be this delicious?

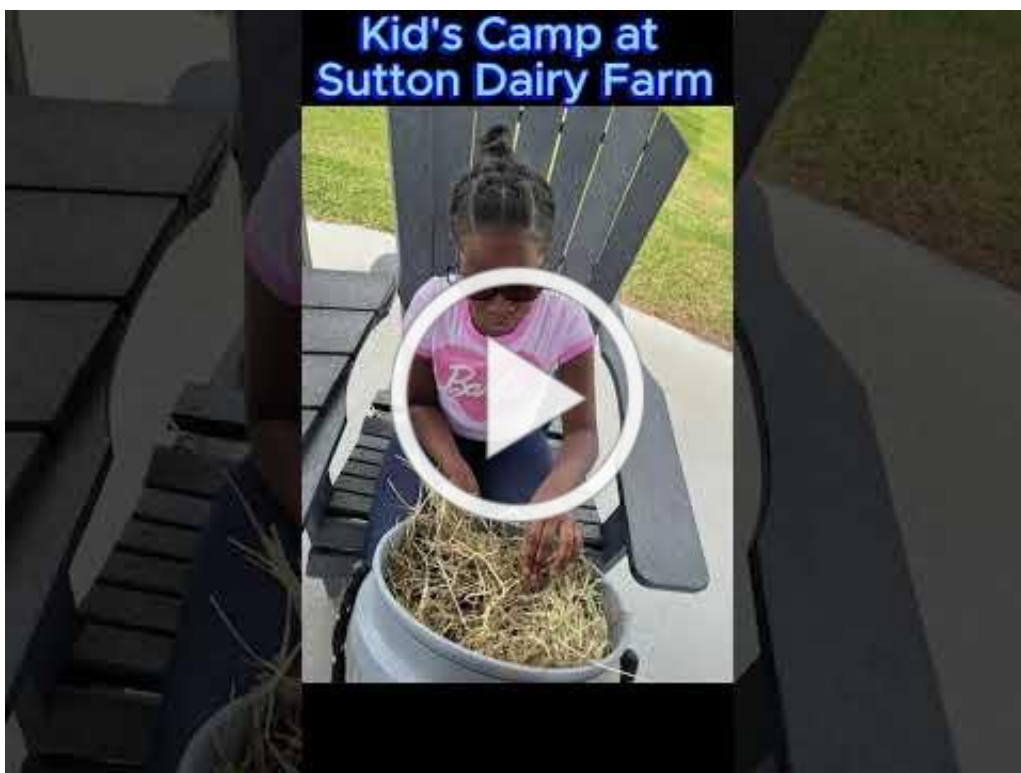

Stay tuned for more fun-filled adventures coming from our Kid's Camp this summer!

A Day at Sutton Dairy Farm

Last month, our Lighthouse Kid's Camp enjoyed an exciting and educational trip to Sutton Dairy Farm in Okeechobee! The kids learned about the farm's fascinating history, met the cows, and got a behind-the-scenes look at the dedication and hard work that goes into producing fresh, local milk. Sutton Dairy Farm's commitment to caring for the land and animals left a lasting impression on our campers, inspiring curiosity and appreciation for agriculture.

A huge thank you to Sutton Dairy Farm for hosting us and sharing your incredible story. It was a day filled with learning, laughter, and unforgettable memories!

Strikes and Smiles at Greenacres Bowl

Last month, our Palm Beach Activity Club had an amazing outing at Greenacres Bowl!

New members discovered their hidden bowling talents, proving that visual impairments don't limit the joy of trying something new and achieving success. The day was filled with laughter, connection, and a wonderful sense of community spirit.

A special thank you to Greenacres Bowl for hosting us and to the Jim Moran Family Foundation and Quantum Foundation for making this memorable experience possible through their generous support. Moments like these remind us of the importance of connection and fun!

Events you don't want to miss!

and a keynote address—all in support of the only local Lighthouse for the Blind.

Ongoing: First Wednesday of Every Month “Let’s Chat” on Zoom

The Transition students enjoy an interactive monthly virtual meetup specifically designed for enrolled students.

The Importance of Early Intervention for Children with Visual Impairments

The early years of a child’s life are critical for development, especially for children with visual impairments. Early intervention services provide the tools and support needed to help children build essential skills, reach developmental milestones, and gain confidence. These programs also empower families with the resources and guidance to support their child’s growth.

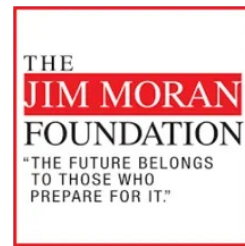

At Lighthouse for the Blind of the Palm Beaches, we are proud to offer early intervention programs that focus on sensory exploration, mobility, communication, and social skills. Together, we’re helping children with visual impairments build a strong foundation for a lifetime of success.

Read more about the impact of early intervention in our latest blog!
