

As we celebrate Independence Day, we're reminded that freedom and opportunity should be accessible to everyone—including those living with vision impairment. At Lighthouse for the Blind of the Palm Beaches, that's exactly what your support helps us do: empower individuals to live with independence, confidence, and joy.

Here's a look at three powerful moments from this summer made possible by your generosity:

Vision Screenings at Caridad Center

On June 14, we joined the team at Caridad Center in Boynton Beach to provide free vision screenings for children in need.

We screened 59 children, and 37% were referred for additional care. Many of these kids had never had an eye exam before—some were found to have significant vision issues that, left untreated, could have led to permanent loss. Early detection matters—and you helped make it possible.

A Night at the Kravis Center

On June 28, clients from our Activity Club attended *Ain't Too Proud – The Life and Times of The Temptations* at the Kravis Center.

With descriptive audio and warm hospitality from the Kravis team, our clients were able to enjoy the music, movement, and storytelling in full.

Access to the arts builds confidence, joy, and community—and your support

keeps these experiences accessible.

Chair Yoga at Yoga Journey

Our Palm Beach Activity Club recently visited Yoga Journey in Boca Raton for a relaxing and empowering session of chair yoga.

With help from instructors Lisa and Ruth, participants focused on mindfulness, movement, and inner peace.

Wellness is for everyone—and our programs make that possible for those living with visual impairments.

Help Us Continue These Essential Programs

Every screening, every outing, every yoga class is made possible by people like you. Your donation helps us offer these services for free or at minimal cost to families and individuals in need.

Call us at (561) 586-5600 to get involved
