

*Providing Independence for
the Blind & Visually Impaired*

Hi there Lighthouse friends,

From a weekend of hands-on independence for our Transition students to another exciting season of Lighthouse Golf Club, there's so much happening across our programs. As we celebrate growth, confidence, and new milestones, we're also looking ahead to special events and opportunities that bring our community together in support of our mission. Here's a look at the latest news and what's coming up at Lighthouse for the Blind of the Palm Beaches, Treasure Coast & Okeechobee.

Lighthouse Transition Students

Transition students spent the weekend staying in an AirBnB in Clermont, FL. The students had the opportunity to work on their independent living skills! Students planned meals, shopped for groceries, cooked, managed their belongings, budgeted, and learned how to be a good roommate. The crew had some fun too! They enjoyed swimming in the pool and playing games at the house.

Lighthouse Golf Club

The Lighthouse Golf Club season is in full swing! Our final session begins on March 6th, and our participants have been having a fantastic time sharpening their putting skills. The progress, focus, and confidence we're seeing each week have been incredible! We're proud to make this opportunity possible in partnership with First Tee of the Palm Beaches.

Lighthouse History - 1975

Lighthouse facilities doubled—from 8,000 to 16,000 square feet—to meet the needs of a growing community.

Expansion wasn't about a building. It was about making room for more services, more support, and more lives changed.
