Happening at the Lighthouse:

Junior Achievement's Career Exploration Fair

We had an amazing time at Junior Achievement's Career Exploration Fair at Glades Central High School! It was a privilege to connect with students and share insights into the empowering journey of rehabilitative services for individuals who are blind or visually impaired. Inspiring the next generation starts with awareness—and we're proud to be part of that mission.

Lighthouse Open House

What an incredible evening at our Lighthouse Open House last night!

We were overwhelmed by the positive feedback from our board, supporters, and team. Our instructors showcased the amazing skills they teach—whether it's assistive technology, daily living skills, social skills, or orientation and mobility. These programs empower our clients to achieve their goals and live independently.

A highlight of the night? Our Recipes for Success graduates stole the show, serving drinks, lite bites, and creating delectable desserts that wowed everyone.

Thank you to everyone who joined us and celebrated the life-changing work happening at Lighthouse!
