INTO WHATEVER HOUSE YOU ENTER,
FIRST SAY, 'PEACE TO THIS HOUSEHOLD.'

What does peace consist of? When we do something good, we experience a deep joy within us. That fruit is peace. Therefore, in order to proclaim peace, we must first experience it ourselves by discerning what is good and putting it into practice. However, we cannot do this alone, not even the act of proclaiming it. Jesus sent his disciples out two by two, and later the 72 who had been sent out came back together to share their experiences. They shared that they had encountered many people who were lovers of peace.

What is the root of peace? The teaching of the Church throughout the centuries has made it clear that the root is respect for the dignity of the human being. Respecting human dignity is the foundation of peace, and the opposite of that respect is violence, aggression, and imposing unto others. We respect human dignity when we engage in dialogue, listen to one another, and realize that the God’s Spirit dwells in the other. For this reason, the other is my brother or sister.

Announcing peace is important indeed, but it is not enough. We must share and live it in order to bear witness of how it is attainable, within our reach to achieve it. Let us have faith and trust, and let us educate those around us to be lovers of peace, respectful of human dignity. Let us confront violence with justice or even better, like Christ, with love.

Fr. Juan Zarate

CUANDO ENTREN EN UNA CASA DIGAN:
QUE LA PAZ REINE EN ESTE HOGAR.

¿Y en qué consiste la paz? Cuando hemos hecho algo bueno, en nuestro interior experimentamos una profunda alegría, ese fruto es la paz. Por tanto, para anunciar la paz hay que experimentarla en nosotros, discerniendo el bien y llevándolo a la práctica. Pero esto no lo podemos hacer solos, ni siquiera el anuncio. Jesús envió a sus discípulos de dos en dos, y luego se reencontraron los 72 enviados para intercambiar su experiencia, y compartieron que encontraron mucha gente amante de la paz.

¿Cuál es la raíz de la paz? La enseñanza de la Iglesia a través de los siglos ha clarificado que la raíz es el respeto a la dignidad del ser humano. Respetar la dignidad humana es el principio de la Paz, y lo contrario a ese respeto es la violencia, es la agresión, es la imposición al otro. La dignidad humana la respetamos cuando dialogamos, cuando nos escuchamos, cuando reconocemos en el otro que ahí habita el Espíritu de Dios. Por ello, el otro es mi hermano.

Anunciar la paz sí es importante, pero no basta. Hay que compartirla y vivirla para dar testimonio de que es alcanzable, de que está en nuestras manos el lograrla. Tengamos fe, tengamos confianza y eduquemos en nuestro alrededor, personas amantes de la paz, respetuosos de la dignidad humana. A la violencia afrontémosla con la justicia o incluso mejor aún, como Cristo, con el amor.
