WHAT IS THE MESSAGE IN THE STORY OF OUR LADY OF THE ROSARY?

The devotion to Our Lady of the Rosary finds its roots in the Battle of Lepanto, which took place on October 7, 1571, when the political and economic future of the West was at stake. The Muslims planned the invasion of Christian Europe and, with it, the imposition of Islam. Before that battle, Pope Pius V had asked the faithful to pray the Holy Rosary for a Christian victory, thus giving rise to the so-called Holy League, formed to stop the Ottoman Turkish advance in the Mediterranean, where their forces were superior. While this battle was being fought, processions were held in Rome, and Rosaries were prayed for Europe’s victory. Despite having everything against them, the Christians won.

This story teaches us three main lessons:

- 1. **The power of prayer as a spiritual weapon:** The victory at Lepanto is a reminder of the impact that prayer has in the lives of believers.
- 2. **Unity in faith to face great challenges:** The devotion to Our Lady of the Rosary united believers across Europe at a crucial moment in history.
- 3. **Mary’s intercession as a protective mother:** The victory at Lepanto reinforced the belief in the role of the Virgin Mary as intercessor before God and protector of the faithful.

This teaching reminds us that the Virgin Mary is a mother who cares for and protects those who turn to her. The Battle of Lepanto shows us that, by placing our trust in Mary, she intercedes with her Son and helps us overcome the battles of life, both spiritual and material.

Fr. Juan Zarate

¿QUÉ MENSAJE NOS DEJA LA HISTORIA DE LA VIRGEN DEL ROSARIO?

La devoción a la Virgen del Rosario encuentra sus raíces en la Batalla de Lepanto, que tuvo lugar el 7 de octubre de 1571, en la que se jugó el futuro político y económico de Occidente, pues los musulmanes planeaban la invasión de la Europa cristiana, y con ello la imposición del islam. Previo a esa batalla, el Papa Pío V había pedido a los fieles que rezaran el Santo Rosario por la victoria cristiana, surgiendo así la llamada Liga Santa, para frenar el avance turco otomano en el Mediterráneo, donde sus fuerzas eran superiores. Y mientras se llevaba a cabo esta acción de guerra, en Roma se hacían procesiones y se rezaban Rosarios por la victoria europea. Y pese a tener todo en contra, los cristianos ganaron.

Esta historia nos deja tres principales enseñanzas:

- 1. **El poder de la oración como arma espiritual:** La victoria en Lepanto es un recordatorio del impacto que tiene la oración en la vida de los creyentes.
- 2. **La unidad en la fe para enfrentar grandes desafíos:** La devoción a la Virgen del Rosario unió a los creyentes de toda Europa en un momento crucial de la historia.
- 3. **La intercesión de María como madre protectora:** La victoria en Lepanto reforzó la creencia en el papel de la Virgen María como intercesora ante Dios y protectora de los fieles.

Esta enseñanza nos recuerda que la Virgen María es una madre que cuida y protege a aquellos que acuden a ella. La Batalla de Lepanto nos muestra que, al poner nuestra confianza en María, ella intercede ante su Hijo y nos ayuda a superar las batallas de la vida, tanto espirituales como materiales.
