Fall is here and as we gear up for the colder months, there are many underprivileged children and families that need a warm coat to get them through the cold winter months. In 2024, The Salvation Army of Greater Green Bay distributed 3,012 Coats to Children in Need. This annual Seasonal Assistance program exists due to the generosity of the Greater Green Bay community. It is through donations from individuals, churches, businesses and foundations that we are able to offer this assistance to individuals and families in need. 2025 Coats for kid's collection dates: September 22nd - October 23rd. Proko-Wall Funeral Home is once again proud to be a drop-off site for Coats for Kids. Bring your new or gently used coats to 1630 E. Mason St., Green Bay during the hours of 9am – 4pm Monday through Friday. There is a drop box in our lobby.

WHAT SHOULD I DO IF I FEEL SAD?
SIX TIPS TO OVERCOME DEPRESSION

Depression is one of the conditions that is becoming more common every day in our communities. It may seem like a maze with no way out. However, equipped with tools that allow us to find light in the midst of darkness, there are effective ways to overcome it.

It is essential first to understand that depression is more than a passing feeling of sadness — it is a sadness without reason. How to overcome depression?

1. **Be compassionate with ourselves:** Understanding that depression is a condition that can affect anyone is the first step to overcoming it: allowing ourselves to feel what we feel without guilt.
2. **Be authentic:** In addition to recognition, accepting who you are is also important. Authenticity means showing yourself as you truly are. Be yourself.
3. **Practice self-care:** Adopt practices that nurture the body, mind, and soul.
4. **Cultivate interpersonal relationships:** It has never been truer that “no man is an island.” Human connection is indispensable for emotional and social well-being. Talking with friends and family about what you’re feeling can be enormously freeing.
5. **Seek goals that generate passion:** Find motivations that help you move forward even in difficult moments. This includes cultivating hobbies, volunteering, and activities that inspire ways of discovering what really matters.
6. **Keep a gratitude journal:** Write down three things you are grateful for each day. This can help focus the mind on the positive. Gratitude can act as a beacon that guides you out of the shadows, showing that despite difficulties, there are always small things that brighten the path.

Overcoming depression is a journey that requires time, effort, and sometimes outside help; by understanding our condition and practicing authenticity, self-care, connection, the search for purpose, and gratitude, it is possible to find the path toward hope and healing.

¿QUÉ DEBO HACER SI ME SIENTO TRISTE?
SEIS CONSEJOS PARA VENCER LA DEPRESIÓN

La depresión es una de las condiciones que cada día es más frecuente en nuestras comunidades, puede parecer un laberinto sin salida. Sin embargo, existen formas efectivas de superarla, armados con herramientas que nos permiten encontrar la luz en medio de la oscuridad.

Es fundamental primero entender que la depresión es más que un sentimiento pasajero de tristeza, es una tristeza sin razón. ¿Cómo vencer la depresión?

1. **Ser compasivos con nosotros mismos:** la comprensión de que la depresión es una condición que puede afectar a cualquiera es el primer paso para superarla: permitarnos sentir lo que sentimos sin culpa.
2. Ser **auténtico:** además del reconocimiento, también aceptar quién eres es importante. Autenticidad, y mostrarse como verdaderamente son. Sé tú mismo o misma.
3. **El cuidado personal:** adoptar prácticas que nutran el cuerpo, la mente y el alma.
4. **Cultivar relaciones interpersonales:** nunca ha sido más cierto que “ningún hombre es una isla”. La conexión humana es indispensable para el bienestar emocional y social, por ello, hablar con amigos y familiares sobre lo que se siente puede ser enormemente liberador.
5. **Buscar metas que generen pasión:** Metas que les motiven a seguir adelante incluso en los momentos difíciles, lo que nos lleva a cultivar pasatiempos, voluntariado y actividades que inspiren formas de descubrir lo que realmente importa.
6. **Diario de gratitud:** escriban tres cosas por las que se está agradecido cada día, puede ayudar a enfocar la mente en lo positivo. La gratitud puede actuar como un faro que guía fuera de la penumbra, mostrando que, a pesar de las dificultades, siempre hay pequeñas cosas que iluminan el camino.

Superar la depresión es un viaje que requiere tiempo, esfuerzo y, en ocasiones, ayuda externa; al comprender nuestra condición y practicar la autenticidad, el cuidado personal, la conexión, la búsqueda de propósito y la gratitud, es posible encontrar el camino hacia la esperanza y la sanación.
