

# CASTLE HILL ST PHILIP'S CE PRIMARY SCHOOL

## Governor Profile:

Laura Wilson

## Type of governor:

Parent Governor

## Appointed by:

Parents

## Date I first became a governor:

26<sup>th</sup> March 2025

## Qualities, skills and experience:

I have over ten years of experience teaching in Key Stage 2 and have worked within the Senior Leadership Team as the Upper Key Stage 2 leader. During this time, I have gained many new skills to develop within my role and as a team to provide an inspiring and successful learning environment which allows children to thrive both academically and holistically.

I am looking forward to developing my role as a new Governor using my existing knowledge to help however I can as well as gaining new skills along the way.

## Reason I became a governor:

I first visited school when at university completing my teacher training. I enjoyed the warm, welcoming atmosphere and enjoyed my time as well as learning a lot. Many years later after becoming a parent myself and visiting schools for my own children to attend, Castle Hill really stood out above the rest.

I feel this is an interesting opportunity to use my professional skills and position as a parent to help support my own children's school.
