## Governor Profile:

Phyllis Bold

## Date I first became a governor:

1<sup>st</sup> June 2006

## Type of governor:

Foundation

## Appointed by:

Liverpool Diocese

## Qualities, skills and experience:

Throughout my working life I have enjoyed caring for children. I worked in residential care for over 20 years and day care for 25 years and progressed to becoming manager of a social services day nursery for vulnerable children and children taken into care. After training in Liverpool I worked in Lancashire, Cheshire and Liverpool and gained an in-depth knowledge of child protection and safeguarding. These experiences serve me well as governor with responsibility for child protection and for disadvantaged children.

I also served as a reader at All Saints Church and uphold the Christian vision of the school. I enjoy talking to the children about faith and happily show them around church as part of their RE lessons. I also provide confirmation classes for those children wanting to be confirmed in Year 6.

## Reason I became a governor:

I have served as a governor at Castle Hill St Philip's since 2006 and was delighted to be made chair of the governing body in November 2009. I live locally and visit school several times each week. I enjoy listening to the children read and I am very proud of the achievements of the children and staff.
