

# Corn Origami

1. Cut the green and yellow pieces apart on the dashed line.
2. Fold each piece as directed; insert corn into the cornhusk.

## Did you know?

**Illinois is ranked #2  
in the U.S. for corn  
production**

**A typical grocery  
store contains 4,000  
items with corn**

**96% of Illinois farms  
are family owned  
and operated**

**The most common  
types of corn in Illinois  
are field, sweet, and  
popcorn**
