**Sarah Lean Bracey**

**October 10, 1959 – March 31, 2024**

*I can do all things through Christ which strengtheneth me. (Philippians 4:13)*

Sarah was born the year of 1959 in Elmore, Alabama. Throughout Sarah's life she cared deeply for her family and loved ones; She was a mother of Three boys and a grandmother of Three. She was a reserved woman who believed and had a strong Christian Faith. She and her son's shared a special bond, one more resilient than most can say. Sarah was a strong single mom that raised her boys to be strong minded, successful Men. She left this world knowing she was loved by many. Sarah is survived by Derrick, Eric, and Marcus.

*She'll be forever and eternally missed, her on earth.*

## **Acknowledgements**

Mom we knew this day was coming; I know you can still hear me because you believe in heaven! You settled all your debts and you prepare your house for the company of the Lord! I know you are there in heaven smiling down on us. I'm apologetic to you as the all-mother; because you did not see your children (family) come together! You did your best. I know my best was good enough as well. We appreciate you and apologize to you, considering things were not so great for you; know that we are proud of you! Words spoken to you before by all whom truly found love in you; surprised? Know you are not! We say with loving and warming hearts! We wish you well on your journeys, may God's grace and mercy fill you with the love and happiness that you never had here on earth! Until that day we see each other with open arms!
