The Life of Ollie Mae Fuller entered her earthly journey on November 16, 1948 to the late Willie H. and Sarah L. Fuller in Henderson, North Carolina. She transitioned into eternal rest with our Savior on April 4, 2023

She graduated UTSA with three bachelors and two master's degrees. She started her career in 1970 as a member of the United States Air Force and continued her career working in, MWR and contracting services on Lackland AFB, retiring as a civilian in 2014. She loved to go to the casino, she enjoyed collecting stamps, she also enjoyed playing online game with people around the world, bowling and she loved watching football. She loved being with family, but most importantly she had the biggest heart and a smile that could light up a dark room.

She leaves to Cherish her memory: Cheryl Fitzgerald; Son Gerald "Rocky" Bledsoe, daughter Kaiya Bledsoe, sisters and brothers Howard (Marie) Fuller, Raymond Fuller, Jean Waverly, of North Carolina, Annette Schneidmill of New Jersey and host of nieces and nephews. Devoted friends Laurel Ginsberg, Collette Goggins and James Walker.

In lieu of flowers donations can be made to American Heart Association or American Diabetes Association.
