

It is with great sadness that our family announces that our beloved Mother & Grandmother, Paula Moreno has passed. On Tuesday, January 23, 2024, Paula Moreno entered God's Eternal Kingdom, at the age of 79.

It is with tremendous gratitude for God's grace, forgiveness, and mercy that we can confidently say that our mother/grandmother is resting safely in the arms of her Lord and Savior and was welcomed and reunited in heaven with her daughter, Marsha Moreno, and her granddaughter, Bernice Moreno, and grandson, Silvester Reyes IV (Palo). Paula leaves behind her sister, MaryJane Guzman, and her daughters, Micaela Moreno, Rosalinda Rodriguez, Maria Reyes, and Marilyn Moreno, and her only son, Jesus Moreno III. Many grandchildren, great-grandchildren, and even great-great-grandchildren. She dedicated her life to her children and then became a 2nd mom to 4 of her grandchildren years later. To most of us, she was our "WELA."

Paula was born on August 15, 1944, in San Antonio. In her younger years, Paula attended beauty school where she gained the skills to not only work on others' hair but was highly skilled enough to color her own hair. She then worked at a Mattress Co. sewing mattresses, where her passion for sewing came to fruition. She was well known for her excellent skills as a seamstress and made many outfits for her kids and grandchildren. She loved sewing, quilting and quickly became known for her beautiful handcrafts. She loved making birthdays, weddings, and baby shower décor for parties. They looked forward to baby showers and Christmas every year to see what surprises Wela had stitched for them, and they could never have too many of her special blankets (baby sets). She even enjoyed coloring her Easter eggs with a marker. She especially enjoyed FIESTA time, she loved taking all her grandchildren and great-grandchildren to the parades every year, where she saved the same spot all our lives. It was very nostalgic to her because she went as a kid. That is a tradition we will miss.

Paula was always determined to be independent and strong. She worked hard to gain her strength up to her last days with us on earth. Paula was loving, objective, funny, and kept it real with the family. She was a no-nonsense woman with a fighter spirit and had your back if you needed her to. We often joked openly about us inheriting her rebellious traits. She loved to travel and loved talking to strangers about her loved ones.

Paula will forever be in our hearts and greatly missed by her children and grandchildren, she has touched everyone in her life in a special and unique way and while we mourn our mother, grandmother, and friend... we happily release her to God to watch over us all and become one of heavens most valuable angels. Goodbyes are not forever, Goodbyes are not the end, they simply mean we will miss you, until we meet again.
Rest in Peace Wela!! We all love you!

The family will be receiving friends on Friday, February 9th, 2024, from 9:00 a.m. to 1:30 p.m. at Watershed Church, 9315 Broadway, San Antonio, TX 78217. A service to honor Paula's life will be held at 10 A.M., where the memories of her will be as priceless and vibrant as her hand-sewn blankets. The procession will leave at 1:30 p.m. to San Jose Burial Park, 8235 Mission Rd, San Antonio, TX 78214, where she will be laid to rest following a graveside ceremony, for any who wish to attend.
