

May 2026 CTW Update - Panama & Mongolia

"And this is the confidence which we have before Him, that, if we ask anything according to His will, He hears us. And if we know that He hears us in whatever we ask, we know that we have the requests which we have asked from Him." (1 John 5:14-15)

Dear Friends,

Thank you for your continued love, prayers, and financial support. God provides for our ministry needs through you, His people. Thank you!

When we ask God for His help on something, as this verse teaches, we must ask "according to His will," He hears us. Sometimes folks think of God as some kind of personal heavenly ATM or a divine Vending Machine. God is Sovereign! We are not! God moves as He wills. Our responsibility is to remain humbly obedient and available to do His will. Susan and I work hard at being obedient and available. Sometimes, I fail, but praise God, He is a forgiving Father.

Pray for us as we enter our 28th year of ministry as CTW LifeQwest. Also, this coming June, I will reach another personal milestone with 40 years in ministry in so many different areas of service. Your prayers are appreciated.

Here's a quick review of happenings in Panama and Mongolia!

PANAMA - Pastor Josue Alvarado

Josue ministers in the Chiriqui Province and the Comarca Indigenous Region of Panama where Susan and I worked for 6 years. This is a note we just received from Josue this morning:

"My beloved Jerry, I am deeply grateful for this month's support. I always keep you in my prayers. Here, we continue pressing forward in the Lord's work, asking the Lord of the harvest to grant us His favor so that we may see men and women transformed by the Gospel of Christ. I ask for prayer that God would break hearts of stone and exchange them for hearts sensitive to the heavenly call. I love you in Christ.

Yesterday, at our men's retreat for the Christian Family Center of Las Lomas."

Please keep Pastor Josue in your thoughts and prayers as he raises the Banner of Christ and preaches His Gospel to men and women with hearts of stone. May God give them sensitive hearts!

MONGOLIA - Pastor Boogii

Boogii and his family have planted seeds for the crops they will be growing this summer season. As you can see, the seeds have germinated and will be transplanted outside of the greenhouses. These crops will be used to feed his family and also provided to the poor in the Hongor area. In addition, some of the crops will be sold in the Darkhan market to raise funds for his ongoing ministry in Hongor. Please keep Boogii, Pugee (his wife), and his kids in your prayers.

One more thing about his greenhouses. IF THE LORD TARRIES, we would like to completely replace these 20+ year old greenhouses next year. We would do it this year, but simply don't have the financial resources to make that happen. SO, in addition to prayers for Boogii, please be in prayer for the financial resources to replace these old greenhouses next year. Again, IF THE LORD TARRIES!

Once again, Susan and I thank all of you for your ongoing love, prayers, and financial support that allows us to keep these young Men of God preaching, teaching, and demonstrating the love of Jesus Christ to a lost and dying world!

Joyfully,
Jerry & Susan Smith
