

1 in 4 people in the UK has experienced a mental health problem.

Mental Health UK aims to give people the tools they need to live their best possible life. By providing advice, information and support they help people better understand and manage their mental health.

Through fundraising and donations **Mental Health UK** can provide support and services for some of the biggest societal challenges that can affect people's mental health such as money issues, loneliness and isolation.

It is important to remember what an impact not only the pandemic, but a demanding working environment, grief, money worries and many other factors can have on people and their mental health.

2022 CHOSEN CHARITY

Shared Direction Conveyancing has chosen to support **Mental Health UK**, and you can help us by donating £10 & having the chance to win £500 off your legal fees.

shared direction
CONVEYANCING

HOW CAN WE HELP?

All of our conveyancing clients have the opportunity to enter into the Conveyancing Foundation's Charity Lotto, which is designed to generate revenue for charity and to offer you the opportunity to win £500.00 towards the cost of your conveyancing.

If you choose to enter the competition, we will add a £10.00 cost to the sums we collect from you on completion of your transaction (this will be shown on your Completion Statement).

£1 of your donation will go towards the competition and the remaining £9 (plus Gift Aid) will go to **Mental Health UK**. We hope you will join us in helping this worthwhile charity.

Please note that you may opt in or out of the competition at any time, up to the date of completion of your transaction, by providing us with your instructions in this respect.
