

# Names of Jesus Advent Chain

Faithful Jews waited for hundreds of years and looked forward to the advent (arrival) of the promised Messiah. Today we look back and remember the miraculous birth of this Messiah, Jesus Christ, on December 25. We too wait with excitement to celebrate his birth on Christmas Day.

In the Bible, Jesus is given many names. On each strip below is a name of Jesus. Cut the strips apart with a scissors. Use glue or a stapler to form the first strip into a loop. In order, link each strip to the next to form a chain. Starting on December 1, take off a link each day. Read the name of Jesus using the Bible reference. Do this each day and count down the days until Christmas as you wait!
