Terms and conditions for the hire of Gullane Recreation Hall

Thank you for your interest in booking Gullane Recreation Hall.

To help us keep the hall in good condition and retain good relations with our neighbours, we ask that you read these terms and conditions and accept them with your booking.

Making a booking

- **A booking form is required for all events and activities** in the hall by emailing bookings.recreation.hall@gmail.com
- **Payment must be made when invoice received as agreed with GVA.**
- **There are two payment rates: the standard rate and the charity rate.**
The charity rate is available to registered charities, not-for-profit organisations and constituted local community groups, at the Gullane Village Association (GVA)'s discretion.
- Bookings being accepted are at the discretion of the GVA.

Fire, health, and safety requirements

- It is your responsibility to familiarise yourself with the Fire Exit Exits & location of extinguishers - and ensure the safety of your user group.
- Maximum capacity adult numbers for the hall are currently **60** max.
- If you are holding an event that is for profit, i.e. you are a business or a company, you must ensure that you have your own public liability insurance in place to run your event.
- Please note that the hall currently only has a small belling oven should you be planning on heating food.

On the day of your event

- **We would be grateful if you could leave the hall as you find it ready for the next user.** We provide a box of cleaning materials in the kitchen, a spray mop, black bags and brush for use. Please switch off kitchen water heater when finished using.
- If the hall is not left as you found it, you may be charged for any additional cleaning that is required, or the removal of rubbish, or any damage.
- The heating in the hall is from overhead infrared units (instructions for use on wall to left of kitchen entrance) and for colder weather we also have free-standing radiators. Please ensure they are switched off when leaving.
- Rubbish should be bagged and placed in wheelie bin at entrance.
- There are glass & cardboard recycling bins in the Village Hall car park. For evening events, because of the noise, please do not put glass in the recycling bins after 10pm but take home for recycling.
- After your event, chairs should be stacked maximum six high.
- Before you leave, please check that all lights are out & key returned to key safe.
- The GVA cannot be held responsible for any loss or damage to personal items. Please make sure you have the necessary insurance for this.
