

### **Get to Know Your Parish Pastoral Council**

We're here to help bring our parish community together! The Parish Pastoral Council is a group of parishioners who represent everyone in our church. Our main job is to listen, share ideas, and offer thoughtful advice to our pastor about parish plans and activities.

#### **What We Do:**

- We talk things through, reflect, and try to reach decisions everyone can agree on.
- Most of the time, we make recommendations by consensus—meaning we work together until we all agree. If we can't, sometimes we'll take a vote to decide what's best.
- Our goal is to make sure every voice in our parish is heard and valued.

**How You Can Connect:** If you ever have questions, suggestions, or concerns about our parish, just reach out to any council member. We're always happy to listen and help however we can. And if you need something urgently, please contact our chairman directly.

We look forward to hearing from you and working together to make our parish the best it can be!
