

## ABOUT SKYHIGH PEO FLORIDA

SkyHigh PEO specializes in workforce solutions for licensed cannabis businesses operating in Florida's regulated market.

Cannabis employers face unique challenges, strict compliance requirements, complex payroll structures, workers' compensation risks, and limited access to traditional employment solutions. SkyHigh PEO Florida is built to support cannabis operators with industry specific HR expertise that protects your business and drives sustainable growth.

## CANNABIS-FOCUSED EMPLOYMENT SOLUTIONS

SkyHigh PEO works exclusively with businesses operating within the cannabis ecosystem, including:

- Medical cannabis dispensaries
- Cultivation and growing operations
- Licensed cannabis delivery services
- Distribution and processing facilities

Our solutions are designed to align with Florida regulations while supporting the operational realities of cannabis employers.

## A PEO THAT UNDERSTANDS YOUR INDUSTRY

Cannabis businesses require more than standard HR services. SkyHigh PEO Florida provides specialized guidance, responsive support, and compliance driven solutions tailored to the cannabis industry, so you can focus on operations, expansion, and patient service.
