Walking beside people in the community,  
to help free them from the effects of  
alcohol and other drug addictions.

**DASA's Outreach Program was established in 2004 and is an intervention and referral program providing case management and outreach support to the clients in the Sobering-Up Shelter and other services within DASA.**

Outreach clients are encouraged to have further professional interventions to break the cycle of addiction. Our Outreach team, work throughout the community with a vast range of clients, linking them with not only the services DASA has to offer, but also other appropriate services within the community. They link in with other service providers to conduct brief interventions and assist clients with a range of needs.

Our Outreach workers are accessible to our client group, and make themselves available in places within the Alice Springs Community, including visiting town camps and other places of service provision.

### **Eligibility Criteria:**

- Aboriginal and/or Torres Strait Islander people - working, unemployed, regardless of (dis)ability, culture, sexual orientation or ability to afford services.
- Straight, gay, lesbian, bisexual, transgender, inter-sex, or just not sure, you are ALL very welcome here.
