

## ABOUT US

DASA has been delivering drug and alcohol rehabilitation programs to Alice Springs and Central Australia for over forty years.

We are a growing organisation with a team of enthusiastic and dedicated staff across each of our branches.

DASA offers range of services to provide rehabilitation from misuse or dependency on alcohol and other drugs, and education to the broader community.

### OUR VISION

Healthy, safe and supported communities without the harmful effects of substance use.

### OUR MISSION

DASA walks beside people to help them reduce the harmful effects of alcohol and other drug use.

We do this by providing care, support, education and accommodation through a Therapeutic Community model using a non-judgemental and client-centered approach.

### OUR VALUES AND GUIDING PRINCIPLES

Integrity, Diversity, Compassion,  
Community, Collaboration, Innovation.

### EVERYONE IS WELCOME AT DASA

DASA is for anyone aged 18 and over - working, unemployed, Aboriginal and/or Torres Strait, non Aboriginal, regardless of (dis)ability, culture, sexual orientation or ability to afford services.

Straight, gay, lesbian, bisexual, transgender, inter-sex, or not just sure, you are ALL welcome here.

## OUR PROGRAMS

DASA offers a range of services to provide rehabilitation from misuse or dependency on alcohol and other drugs, and education to the broader community.

### ARANDA HOUSE THERAPEUTIC COMMUNITY

A Therapeutic Community, where self-help and mutual support are encouraged to promote personal change.

Aranda House is a 20 bed residential facility that offers a 12-week program that includes therapeutic interventions in group and individual settings.

The program is holistic and addresses the needs of each individual. Participants are provided with Case Management support throughout their stay, working through goal setting, triggers, relapse prevention and exit planning.

### TRANSITIONAL AFTER CARE UNITS

A further stage of residential rehabilitation for suitable and willing clients. Eight units situated within the Aranda House facility, where clients can reside for up to 1 year.

Clients are supported to work, study or volunteer while continuing to build a life without the misuse of alcohol or other drugs.

**E: [intake@dasa.org.au](mailto:intake@dasa.org.au)**

### ALTERNATIVE TO CUSTODY | ALICE SPRINGS - WOMEN

A 10 Bed residential rehabilitation facility that offers a 26-week program for Aboriginal women over the age of 18 who are at risk of offending or re-offending.

Residents have access to tailored rehabilitation services that target the risk factors for criminal behaviours, as well as employment and training opportunities.

### ANINDILYAKWA HEALING CENTRE | GROOTE EYLANDT - MEN

The AHC program on Groote Eylandt is a 32-bed residential rehabilitation facility that offers a 26-week program for Aboriginal men over the age of 18 who are at risk of offending or re-offending.

Individuals must have a cultural connection to Groote Eylandt, as confirmed by representatives of the Marble Point Justice Camp Referral Group.

Residents have access to tailored rehabilitation services that target the risk factors for criminal behaviours, as well as employment and training opportunities.

### INDEPENDENT LIVING PROGRAM (ANGIE'S PLACE)

Formerly known as Independent Living Program, Angie's Places provides supported transitional accommodation in the community, where clients and their children reside as tenants in 1 of 3 units.

Clients in this program are responsible for paying rent and other living expenses and for taking care of the premises, to prepare for re-entry to private or government housing.

**E: [intake@dasa.org.au](mailto:intake@dasa.org.au)**

### SOBERING UP SHELTER

A facility providing a comfortable bed, a shower, washing of clothes, and breakfast for people who need a safe place to sleep off intoxication.

Counselling and referral to DASA's other services are available and encouraged.

**E: [admin@dasa.org.au](mailto:admin@dasa.org.au)**

### METHAMPHETAMINE OUTREACH

Support, referral and case management to help people to reduce the impact of methamphetamine on their lives, and to recover from their addiction.

The team provide Outreach support in the community as well as the option of intensive support through residential rehabilitation at Aranda House, if the person feels this is necessary

**E: [outreachdde@dasa.org.au](mailto:outreachdde@dasa.org.au)**

### ABORIGINAL OUTREACH TEAM

Intervention and referral to encourage people in the community to have professional interventions to break the cycle of addiction and harm.

Our Outreach team link a vast range of clients with DASA's programs and other appropriate services in Alice Springs.

**E: [outreachdde@dasa.org.au](mailto:outreachdde@dasa.org.au)**

### DRINK DRIVER EDUCATION | DDE

The Back on Track (Drink/Drug Driver Education) program is designed to provide participants with factual information about the effects of Alcohol and Other Drug use and the direct impact it has on themselves, their families and the broader community.

Participants are required to reflect on their attitudes and behaviours around Alcohol and Other Drugs and driving.

The program is based on the latest clinical research and incorporates best practice approaches to promote positive change within participants.
