A note from Deputy Chief Executive Officer Jocelyn Dhu

Wente!

Both the Aboriginal Outreach Team and Methamphetamine Outreach Team has been incredibly busy over recent months, continuing to provide vital support to clients across our community. Their commitment extends well beyond day to day outreach, with team members delivering programs within the correctional system, supporting clients in the community and actively participating in important community events and consultations.

A highlight has been the partnership with the Northern Territory Hepatitis Aids Council (NTHAC), whose team has been visiting the Shelter to provide Hepatitis C testing for some of our most vulnerable clients. This important initiative helps improve access to healthcare for people who may otherwise face significant barriers to receiving support.

I would like to extend my sincere thanks to the NTHAC team for their dedication and willingness to go above and beyond. Their early starts, often arriving at the Shelter from 6:00 am, demonstrate a genuine commitment to ensuring vulnerable community members can access these essential health services. Our Aboriginal Outreach Team has worked closely alongside NTHAC to support these visits and facilitate engagement with clients.

Thank you to both Outreach teams for their ongoing passion, dedication and commitment to supporting our community every day. Their work continues to make a positive difference in the lives of many people across the region.

Kele, Jocelyn

Mutitjulu Community 28th April

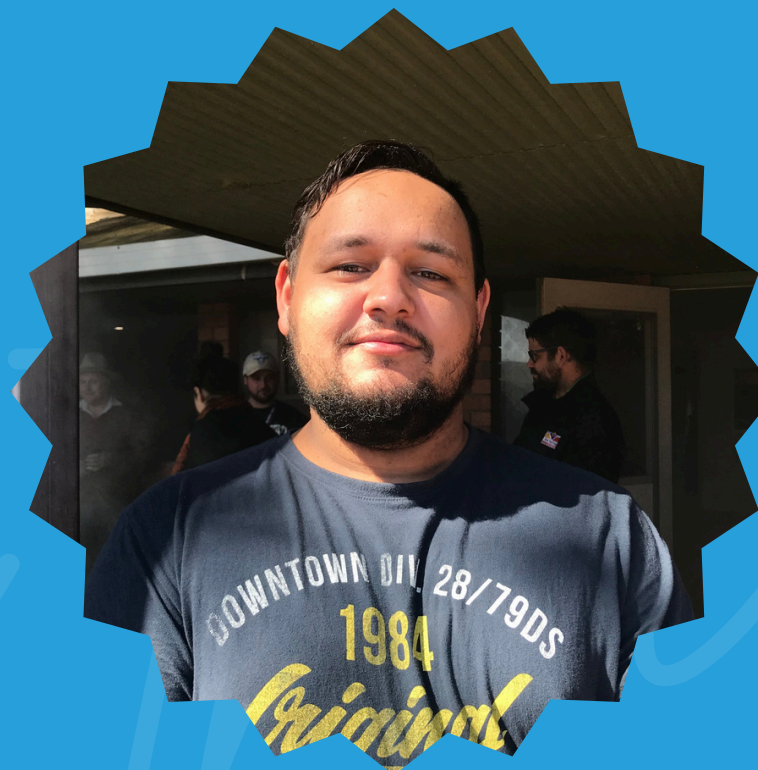

Travelling remote to deliver the DDE program has always been special and our staff have visited some beautiful country. From the warm, tropical Top End right down to the cold, majestic APY Lands (and everywhere else in between!) Australia always puts on a show.

Very recently our Therapeutic Lead Beatrice visited Mutitjulu to facilitate a course for 16 community members. It was an absolute pleasure to run this course and support participants throughout their learning journey. We look forward to returning in the future and continuing to work alongside the community.
