Oct. 19th 1944.

Dear Mr Dixon,

I have been asked to write & thank you on behalf of the Officers and members of the Orpington W. J. A. C. for the valuable and untiring help that you have given so willingly during your term as Unit Commander.

We are all very sorry that you have found it necessary to resign, but we are glad to hear that you still wish to take an interest in our Unit.

Our remembrances of events in which we have taken part under your leadership will always remain with us as very happy memories and you did much to make the Unit the keen and

active one that it is at the present
time.

Please accept our very grateful
thanks for all that you have done.

Yours very sincerely,

Grace F. Finney

Adjutant.
