
Medical Teaching in Muskoka: Past, Present and Future

Drs. Adam McClure and Dave McLinden

- Adam—no conflict of interest
- Dave works for NOSMU as Expansion Clinical Lead paid under temporary contract with NOAMA (Northern Ontario Academic Medical Association)

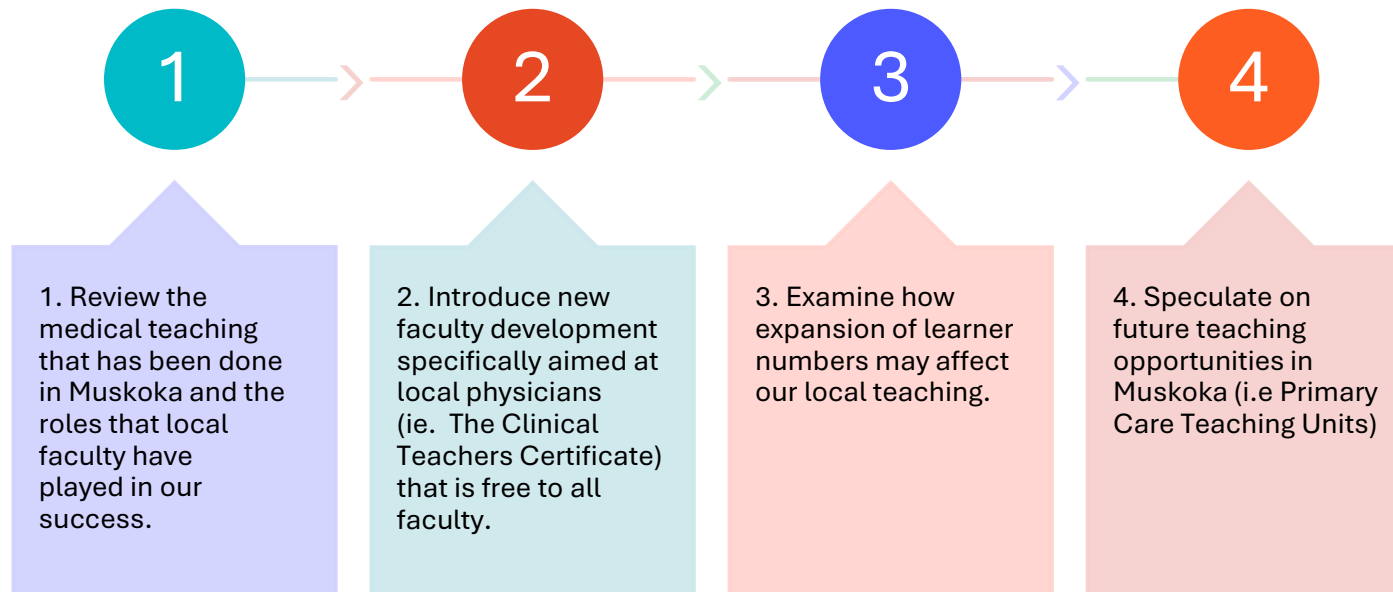

INTRODUCTIONS

- Undergraduates vs Postgraduates

HELLO

My name is

Learning Objectives

Clinician Teacher Certificate (CTC) Overview

- A collection of e-learning courses and workshops to help faculty expand their clinical teaching skills
- Each e-learning course and workshop is accredited individually so faculty can take individual courses/workshops
- Participants can pick and choose what courses/workshops they take
- Free for NOSM U Faculty and DPP Preceptors

CTC Overview

Participants have **two years** to complete the requirements and receive their Clinical Teaching Certificate:

7

A total 7
courses/workshops
Including:

4

Mandatory e-learning courses

2

A total of 2 workshops
1 mandatory: Effective Verbal & Written
Feedback

For the 7th course, participants can choose between an e-learning course or workshop.
