

SHOPPING FOR DOLLARS STEWARDSHIP COMMITMENT

At St. Michael Catholic School we are committed to academic excellence rooted in the Catholic faith. We provide each child with rich experiences through strong academics, the latest in technological resources, and many extracurricular activities. Each family at St. Michael School has a stewardship obligation to financially support these programs.

Shopping for Dollars provides each family an opportunity to fulfill their stewardship obligation by buying weekly groceries, gas, clothing, restaurant, and miscellaneous items with gift certificates that are purchased at face value through RaiseRight.
