Add On's & Boosters

The perfect enhancements to any health and wellness treatment

ALPHA LIPOIC ACID \$99

A powerful antioxidant that protect cells from damage and supports energy production. It's also known to promote nerve health, reduce inflammation, and improve blood sugar control.

AMINO BLEND \$30

The building blocks of protein, amino acids help repair tissues, build muscle, support the immune system, and keep the body functioning properly. They are essential for growth, recovery, and overall health.

L-ARGININE \$30

An amino acid that boosts nitric oxide production, improving blood flow and circulation. It supports heart health, enhances athletic performance, and promotes wound healing.

ASCORBIC ACID (Vitamin C) – \$25 / \$50 / \$75

A potent antioxidant that boosts immune function, promotes collagen production for healthy skin, aids iron absorption, and protects cells from oxidative stress.

B COMPLEX \$30

A group of essential B vitamins (like B1, B2, B3, B5, B6, B7, B9, and B12) that support energy levels, brain function, metabolism, and the health of your skin, hair, and muscles.

BENADRYL \$50

An antihistamine that relieves allergy symptoms like itching, sneezing, and hives. It can also help with motion sickness, and insomnia, and reduce allergic reactions.

BIOTIN (B7) \$40

Known for boosting hair, skin, and nail health. It also helps convert food into energy and supports a healthy metabolism.

CALCIUM \$30

An essential mineral that strengthens bones and teeth, supports muscle function, nerve transmission, and cardiovascular health.

L-CARNITINE \$30

A nutrient that plays a critical role in energy production by transporting fatty acids into your cells' mitochondria. It's popular for boosting metabolism and enhancing exercise performance.

CHOLECALCIFEROL (D3) \$35

The sunshine vitamin! It helps the body absorb calcium, supports bone health, strengthens the immune system, and can boost mood.

GLUTATHIONE – \$50 / \$100 / \$150

Often called the "master antioxidant," glutathione protects the body against oxidative stress, detoxifies the liver, improves skin health, and supports immune function.

HYDROXOCOBALAMIN (B12) \$40

A highly absorbable form of vitamin B12 that supports red blood cell production, boosts energy, enhances brain health, and helps with nerve repair.

MAGNESIUM – \$35 / \$45

A vital mineral involved in over 300 biochemical reactions. It supports muscle and nerve function, helps maintain heart rhythm, promotes relaxation, and strengthens bones.

METHYLCOBALAMIN (B12) \$40

Another active form of B12 that supports energy, cognitive function, nerve health, and DNA production.

MICC \$50

A fat-burning injection that boosts metabolism, promotes fat breakdown, enhances liver function, and increases energy levels.

MINERAL BLEND \$30

A combination of essential minerals like magnesium, zinc, manganese, copper, and selenium. It helps with hydration, muscle recovery, immune support, and maintaining healthy cells.

NAD + (Starts at \$349) SQ

Boost your body from the inside out. NAD+ is a powerful coenzyme that helps increase energy, sharpen mental focus, support metabolism, and promote healthy aging.

PYRIDOXINE (B6) \$45

Essential for brain development and function, B6 also helps the body convert food into energy and create neurotransmitters for mood regulation.

TAURINE \$35

An amino acid that supports heart function, calms the nervous system, promotes electrolyte balance, and acts as a powerful antioxidant.

TORADOL (Ketorolac) \$60

A non-steroidal anti-inflammatory drug (NSAID) used for short-term pain relief, especially after surgery or for severe migraines and injuries.

TRI-IMMUNE DEFENSE \$250

A blend of Glutathione, Zinc, and Vitamin C that supports and boosts your immune system. (IM)

ZINC \$35

A crucial mineral that supports brain health, boosts the immune system, speeds up wound healing, supports skin health, and plays a key role in DNA and protein production.

ZOFRAN (Ondansetron) \$50

An anti-nausea medication often used to prevent nausea and vomiting.
