President's Corner

Greetings, Sisters:

Fall is here and the fall board meeting is over. We had a productive time as well as a wonderful time. You saw on Facebook that 4 of us and Susan's husband went to Detroit Lakes ahead of the board meeting and saw the trolls. It was a fun side trip. Those who were here early were also able to go by pontoon for dinner. After that, the weather turned cold so the pontoon was not an option. On Friday night, Amber Lodge had appetizers with us and then went to dinner with us. In amongst all this fun, we also worked hard on Sisterhood business.

We were missing our new board member as she had previous commitments. We look forward to Marilyn joining us in the future. She is already working with Carol on membership and has already reached out to a few members and prospective members. As a board we continue to talk about the membership process and how to simplify it while keeping it workable for new members who find us on the internet. Look for more information on that in the future. For now, as soon as Susan learns more about our website operations, the membership application will be back under "membership" on the website and removed for the "member login" section. We hope this will make it easier for you.

Other highlights of the meeting were:

- The Solvang trip is sounding wonderful. Kringle and Chocolate demonstrations, tours, meeting with Lodge #177 sound like a great time.
 - The 2026 Denmark trip plans got finalized. Look for the full itinerary and information in this newsletter. Keep this newsletter to refer back to the full itinerary as we do not plan to publish the entire itinerary again. It looks like an amazing trip. Thank you to Sune Frederiksen for putting it together and being our tour guide.
 - Convention plans for 2027 are underway also. Chicago has secured the hotel and convention center. Plan to attend. The dates are September 30 – October 3, 2027.
 - Midterm proposals were finalized to send out to lodges. These are sent to your 2023 National Convention delegate. Look for yours to arrive soon and return them as soon as possible.
 - Usual officer reports were presented and acted on as needed.
- Article continued on page –3– .

ON THE COVER—A Lego pumpkin and a Dracula mascot for Halloween in the amusement park Legoland Billund Resort in Denmark. Legoland Billund Resort, the original Legoland park, opened on June 7, 1968, in Billund, Denmark. It is located next to the original Lego factory and Billund Airport, Denmark's second-busiest airport.

The park has been a significant tourist attraction in Denmark, with over 1.9 million guests visiting in 2011 and 50 million guests since its opening. The park is divided into nine themed areas, including Duplo Land, Imagination Zone, LEGOREDO Town, Adventure Land, Lego City, Knight's Kingdom, Miniland, Pirate Land, and Polar Land. LEGOLAND® Billund is the most visited tourist attraction in Jutland and the third-most visited attraction in Denmark, after Tivoli Gardens and Dyrehavsbakken.

Some history of Lego: In 1932, a Billund carpenter named Ole Kirk Christiansen turned his tools to making wooden toys and came up with the name Lego, a contraction of *leg godt*, meaning “play well.” His original concept got transposed to the famous interlocking plastic bricks, launched in 1958, and by some estimates Lego will have produced a *trillion* of them by 2026.

IMPORTANT INFORMATION

Membership Corner October 2025

By Carol Rudisill

I am submitting this article in August for the October Newsletter. It always feels like a new year for me every August and September because we are getting back together after a short break from our regular meetings. We are preparing our calendar for the coming year and that alone makes it feel new. This year my lodge is trying to keep everyone up to date on what is happening by providing a bookmark with all the dates and programming listed. As a Board, we thought making something to hang on the refrigerator would readily remind members of what's coming up. We also have callers that call the week previous to the meeting to remind members. We are also going to send an invite via "Whatsap" so any who are unable to attend in person can join virtually. We are trying different methods of keeping members informed. What do you do? How do you notify members of an upcoming meeting? What have you tried that worked? What doesn't work? We'd all like to hear your suggestions.

PHOTO RIGHT: These bookmarks were made by the Lodge Board to help Sisters be aware of meeting dates, times, and program(s).

RESOLUTION

Lois Miriam Jacobsen Ringo Tivoli Lodge 300

Lois Jacobsen Ringo passed away peacefully on February 24, 2024 at the age of 102. She was proud of her Danish heritage. Her paternal grandparents immigrated from Aarhus, Denmark and her maternal grandparents from Nykobing, Denmark.

Lois was the eldest of six children and had a happy childhood growing up on the family farm in Irvington, Nebraska. After graduating from Irvington High School she went on to attend Dana College in Blair, Nebraska. She eventually went on to teach for five years in a one-room schoolhouse.

Lois married Earl Ringo on May 5, 1945. His career took them to Omaha and Hastings, Nebraska and then to Minneapolis, MN so that he could pursue his doctorate in education at the University of Minnesota. During this time they had six children: Karalee (deceased, a former member of Lodge 300), Kristin, Thomas, Malinda (current member of Ellen Lodge #21) and Karin. The family moved to Bozeman, Montana in 1965 where Earl was the Dean of the College of Education at Montana State University. After his passing in 1983, Lois embarked on a second career as the desk clerk at Hapner Hall at Montana State University.

Lois' artistic talents were expressed through her hobbies which included sewing, knitting, smocking, gardening, painting and flower arranging. She also found great pleasure in reading, working crossword puzzles and exploring the world through travel including a trip to Denmark in 1990 to explore her Danish roots.

She is deeply missed by her family and all that knew her.

NEWS TO MAKE YOU SMILE

Thank you very much for the camp grant so I could attend a 5 week summer intensive ballet camp. My first couple of days I was nervous, but after a couple of classes I felt comfortable and couldn't wait to go. My weekly schedule was: technique and strength training, pointe shoe dance and Pilates. I am the 4 dancer from the left side. In the fall, I will begin pre-profession ballet class.

Thank you again,

Athena Christiansson #165 Santa Barbara

NEWS FROM DAGMAR LODGE 4, CHICAGO

Danish Sisterhood's Dagmar Lodge 4 hosts monthly meetings at the Danish Home of Chicago, including members on Zoom if they cannot attend in person. Chicago's Danish Home is currently under expansion construction, with a Little Mermaid water feature prominent in the garden area (see photo on next page.)

On occasion Dagmar Lodge's monthly meetings are held before an event, whether at the Danish American Athletic Club (DAAC) preceding Fastlavn or at Bente and Lars Rasmussen's home for baking as well as for the Midwest District shared program.

This year's Midwest District, consisting of Kenosha and Chicago Sisterhood lodges, had an amazing presentation by Kenosha Danish Sister and National Representative Anna Nielsen who gave a wonderful presentation about all that's going on with the National Board as we lunched at a Libertyville restaurant. Lars and Bente opened their home for after-lunch activities including bunching into groups of two or three to figure out Danish Constitution Day trivia.

After trivia, Dagmar Lodge 4 members took turns sharing a Danish item or two from their homes. Bente shared a told kop, a scoop for paying taxes on grains. Linda Steffensen shared a 1972 Christmas plate featuring Greenland. Pastor Karen Knutson, who turned 80 that day, showcased her Christian X Liberation Pin.

Some of the other items brought included George Jensen jewelry—a silver bracelet from Lillian Sorensen plus another Jensen bracelet from Cynthia Andersen—Grandmother's crocheted items such as a blanket Tracey Nielsen showed made by Grandma Marie Nielsen and doll clothes brought by Marilee Nielsen's daughter, Amanda Nielsen-Kuforiji. Making sure to put "made by" labels on all handmade goods was mentioned as a necessity. Marilee brought a brochure featuring the 1979 Gymnastic League in Denmark, which for many of us didn't feel that long ago.

Respectfully submitted by TLC Nielsen, Dagmar Lodge 4

PHOTO RIGHT: Rosenborg Castle in Copenhagen houses some of Denmark's greatest cultural treasures. The castle was built 1606-34 by Christian IV as a pleasure palace. In the basement you will find the Danish crown jewels and royal crowns.

Rosenborg Castle was built by one of the most famous Danish kings, Christian IV, in the 17th century. The beautiful castle features 400 years of royal treasures, and the Crown Jewels and Royal Regalia.

Walk up the spiral steps and discover rooms filled with royal details and lavish portraits. Among the main attractions is the Knights' Hall with the coronation thrones, decorated with narwhal tusks, with three life-size silver lions standing guard. Tapestries on the walls commemorate battles between Denmark and Sweden. The interiors are well-preserved and invite you to take a journey in time, stepping into the shoes of the royalty that once lived here. You can see the king's private writing cabinet, his bathroom, and view wax figures of former royal inhabitants.

Rosenborg also houses an exquisite collection of Flora Danica and one of the world's finest Venetian glass collections, both set in tower chambers.

Denmark's Crown Jewels:
The glittering crowns of the Danish kings and queens are kept in special vaults at Rosenborg Castle, embellished with table-cut stones, enamel, and gold.

The crown jewels primarily consist of four garnitures: a diamond set, a ruby set, a pearl set, and an emerald set, the emeralds being among the world's finest.

PHOTO RIGHT: The wedding of Frederik, Crown Prince of Denmark (later King Frederik IX), and Princess Ingrid of Sweden took place on Friday, 24 May 1935 in Storkyrkan. Crown Prince Frederik was the heir apparent to the Danish throne and Princess Ingrid was the granddaughter of King of Gustaf V of Sweden.

THE BEAUTY OF DENMARK AND THE JOY OF OUR NEW VICE PRESIDENT

Frederiksborg Castle is located in the middle of Hillerød on three islands in the castle lake. The oldest parts of the castle were built in 1560 by King Frederik II and the castle is named after him.

The majority of the present castle was built between 1600-1620 by Frederik II's son, Christian IV in Dutch Renaissance style with sweeping gables, sandstone decorations and copper-covered roofs and spires. The castle burnt in 1859 but was rebuilt from 1860-84 with financial support from brewer J. C. Jacobsen and later by the Carlsberg Foundation.

The part of the castle with the two low round towers on the southernmost island beside the S-bridge that connects the first and middle islets were part of Frederik II's original Frederiksborg as were the small Bath House between The Enclosure and the small Deer Park.

Fall Greetings from Your Vice President

Hej All! It's hard to believe we are in fall already! Where has the summer gone? Typically, summer is filled with travel adventures, lake or ocean visits, gardening and all those things only done in warm weather. For me, I spent time in my hometown of Greenville, MI on Baldwin Lake, assisting with the restoration of the Danish Cultural Center, preparation for Danish Festival, practicing the accordion, playing with my dogs (Heinrich, Maggie Mae, and Honey) and visiting 7 of the Thomas Dambo Trolls.

Visits with family and close friends filled in many open hours and now I'm headed into planning for fall and winter. One new thing added to my activities this fall is the transition from Trustee on the national board to Vice President. I look forward to the challenges inherent in this position, keeping the Website current and managing all aspects of technology. I look forward to serving all of you in this new role. For the next few months, I'll be learning, and I suspect I'll make a mistake or two. But, with your patience and my resilience, I am confident and looking forward to serving all of you!

Please send any questions you have about technology to my new email address (vicepresident@danishsisterhood.com) and I will do my best to respond in a timely manner.

Mange Tak,
Susan Hoppough,
Vice President
