Baptism Scheduling

Baptisms are currently being held during our weekend Masses on **Sundays immediately following the 11am Mass.** Please call the **Parish Office** to schedule a baptism or for more information.

Poor Box

If you pass the poor boxes could you possibly throw some change for the SVdP Society. God Bless.

Each year, priests and deacons are obligated to go on retreat, (can. 276 §1, °4 to be exact). The purpose being that clerics "are bound in a special way to pursue holiness since ... they are dispensers of the mysteries of God in the service of His people." As we all know, it can be a struggle to find time in the busyness of our day to set aside for God and/or prayer in general. As crazy as it may seem, it is even harder to do as someone in the "God business". There are many demands placed on our time, not all of them related to prayer. As pastor, there is as much administrative and practical tasks (bills and invoices, maintenance and administration of physical plants, etc.) that pop up as there are all of the spiritual aspects of my life (daily and Sunday Masses, funerals, communion calls, visits to the sick and dying). Now the good thing is that priests, deacons and religious are obligated to pray the Liturgy of the Hours, the official prayer of the Church. Throughout the day, we stop and pray the psalms, Sacred Scripture and writings of the Church and bless our day. Sometimes it takes a concerted effort to carve out time, but we try, as best we can, to make time for the One who gives everything so that we might have life. Even with all of the spiritual activities that are a regular part of our lives, we still need to step back and rest in the Lord. As we keep going, our spiritual batteries can get drained and we need to recharge them. BUT REMEMBER, you don't have to be a priest, deacon or religious in order to go on retreat! It doesn't have to be for a whole week! There are many opportunities to spend a weekend away in prayer! Many have attended the men's retreats at Malvern. Malvern does have retreats for women too! Our Lady of Bethesda Retreat Center in Bethesda, MD holds weekend retreats based on the spiritual exercises of St. Ignatius of Loyola for women. That doesn't even speak to days of recollection and penance services throughout the liturgical year. As of your reading of this article, I will have just completed 5 days of prayer at St. Mary of Providence Center in Elverson, PA led by Bishop David Zubik, bishop emeritus of Pittsburgh. Hopefully, it will be a fruitful time for me and please know that I will be praying for all of you! Coming this Fall we'll hopefully have more opportunities for the parish to retreat with one another, even without the need to go away (but more on that later). [Jesus] said to them, "Come away by yourselves to a deserted place and rest a while." (Mark 6:31)

Depending on the type of retreat, there may (or may not) be comfort food and snacks. As I'm trying to lose some weight, I'm going to TRY and refrain from guilty pleasures, but it doesn't mean you have to! Months ago I found a recipe that I've been DYING to try from Delish.com: Brown Sugar Pop-Tart Blondies. The link to the website was INCREDIBLY long, so you'll just have to Google it yourself! Good Luck!!!

Ever Consider being an Emmaus Ambassador Information Session, Wednesday, August 12 at 7PM in the Parish Office

Often, it is not the big, dramatic moments that shape our faith the most, but the small, consistent acts of love, service, and faithfulness. It is in these everyday moments that Christ is revealed, and our parish family grows stronger.

We are blessed with many opportunities to walk with one another in faith. Through simple acts of hospitality, encouragement, and friendship, we can help others encounter Christ while strengthening the bonds that unite us as a parish community.

We invite you and your family to prayerfully consider becoming an **Emmaus Ambassador** or **Emmaus Family Ambassador**. Inspired by the disciples on the road to Emmaus, ambassadors accompany others on their faith journey by offering a welcoming presence, building relationships, and fostering a spirit of belonging within our parish. There is a place for everyone .. children, teens, adults, seniors, individuals, and families. Whether you can offer a few hours each month or become involved in a particular parish event, your gifts can make a meaningful difference. Below is a glimpse of the many opportunities available to share your time, talents, and faith while helping our parish family continue to grow.

Join us on **Tuesday, August 12**, for an informational gathering to learn more about becoming an Emmaus Ambassador or Emmaus Family Ambassador. **All ages are welcome!** Please RSVP by contacting the Parish Life Office at 856-939-0592. We look forward to walking this journey of faith with you!

Is God calling you to be a volunteer for our Religious Education Program?

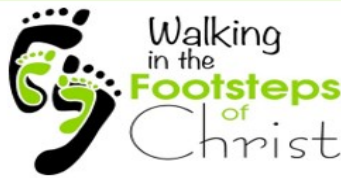

Meet our Catechesis in an Information Session Wednesday, August 19, 7PM St Teresa School Hall

Wonderful and dedicated volunteers are at the heart of all our programs. As we continue to grow in leaps and bounds, we are always in need of volunteers who are willing to walk with our youth as they journey toward a deeper and more intimate relationship with our Lord.

With my schedule, I am afraid to commit. We understand everyone has a busy schedule and we want to work around your availability. Our goal is to gather first and then distribute according to needs and availability. How do you know until you come see for yourself?

But there is NO WAY I'm qualified. Don't forget there were so many of Jesus' disciples who felt the same way, most of all Peter! God works with you and your gifts and so do we. Just like the twelve were sent out two-by-two, we take small and easy steps, pairing you with a mentor that walks this journey with you. You'll never be alone!

What's my next step? We are asking you to prayerfully consider joining a wonderful group of people. One guarantee is, you will get so much more out of it than you ever thought. It is a very rewarding ministry for our volunteers as well as our youth. Please consider joining us on August 19 for an information session, giving you a chance to meet volunteers and see how you can be an essential part of our program.

Walking together in faith!

Religious Education for Special Needs for All Ages Embrace - Engage - Empower

We are blessed to be accompanying several families with children with special needs, ranging in age from 6 to 14 years old, as they continue their faith journey.

Our Religious Education program has been thoughtfully adapting our curriculum to meet the unique needs and learning styles of each child. For some students, a parent joins them during class to provide support. For others, a dedicated aide works alongside the child, helping them participate in lessons and activities at a pace that best meets their individual needs.

The presence of these children, their families, and our compassionate volunteers enriches our parish community. Together, they are a beautiful sign of God's unconditional love and a reminder that every person has a valued place in the Body of Christ.

We are grateful for the opportunity to help each child grow in faith, experience God's love, and fully participate in the life of our parish.

If you have a child with special needs and are interested in giving us the opportunity to help prepare them for the Sacraments or enroll in our Religious Education program, we encourage you to contact the Faith Formation Office.

We would be blessed to work with your family to help your child grow in faith and experience God's love within our parish community.

Time is Running Out! Are you signed up for our Fall Religious Ed Sessions

If you haven't sent in your re-registration for our Fall sessions, we ask that you do so quickly as we need to start working our classroom Rosters and supply orders.

Attention New 1st Grade Parents Important Sacramental Information regarding 1st Communion

Why talk about sacraments now? Mainly because the Diocese mandates that each sacrament carry with it a 2-year preparation program. Meaning, if you want your child to receive 1st Reconciliation and 1st Communion in 2nd grade, they completed First Grade preparation through Religious Ed Sessions or through Catholic School.

Attention New Kindergarten Parents

Did you know our Religious Ed program begins in kindergarten? For the past 6 years we have offered an amazing Kindergarten Class. Our young parishioners are just beginning their spiritual journey.

During their Religious Education sessions, they become aware of all of God's creation as well as Jesus' great love for them as the Good Shepherd. They are introduced to aspects of faith through stories, songs and crafts that help them see God's love and desire for personal relationship with each of us, and how we can respond to God's invitation.

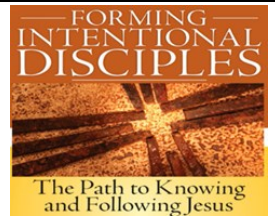

Is Your Child Up to Date with Sacraments? Order of Christian Initiation for Children

Does your child need to receive the Sacraments of Baptism, First Holy Communion, or Confirmation?

If you have a child in 1st through 8th grade who has not yet received one or more of these sacraments, we are here to help. Whether your family is just beginning your journey in the Catholic Church, returning to the practice of the faith, or your child's sacramental preparation has been delayed, we warmly welcome you. Our Order of Christian Initiation for Children (OCIC) classes are integrated into our Sunday morning Religious Education program, which begins in September. This allows children to prepare for the sacraments while learning and growing in faith alongside their peers. For more information, please contact the Parish Faith Formation Office.

Like the wheat, God is patiently at work in each of us. Come and allow Him to continue the good work He has begun.
Four-Week Book Club This Fall, Thursdays @ 7PM

In today's gospel, Jesus reminds us that growth takes time. Rather than ordering his servants to pull up the weeds immediately, the owner of the field urges patience.

Removing the weeds too soon would risk uprooting the healthy wheat as well. Instead, both are allowed to grow together until the harvest, when their true nature becomes clear. In Jesus' time, the weed known as darnel looked remarkably like wheat in its early stages, but as it matured, its differences became unmistakable.

Our journey of faith is much the same. Becoming an intentional disciple is not an instant transformation but a lifelong process of knowing, loving, and following Jesus. Along the way, we all experience moments of grace alongside moments of weakness, stumbling along the way. Yet, like the wheat growing among the weeds, our faith is nurtured through patience, perseverance, prayer, and the work of the Holy Spirit.

Through our personal struggles, distractions, doubts, or the brokenness we encounter in the world, we remain rooted in Christ, trusting that He is continually at work within us. As we deepen our relationship with Him through Scripture, the sacraments, prayer, and service, the image of Christ becomes more visible in our lives, just as mature wheat becomes distinct from the weeds around it.

This is precisely what our **Forming Intentional Disciples Fall Book Club** is all about. It is a four-week opportunity, learning from Jesus' teachings and discovering how to put them into practice in our daily lives. Through prayer, reflection, and meaningful discussion, we seek to cultivate the "good wheat" God has planted within us, allowing Him to shape our hearts and strengthen our witness to the Gospel.

Last fall, twelve parishioners participated in this journey together. Over the course of their four weeks, they shared how the principles of **trust, curiosity, and engagement** helped them re-prioritize their spiritual lives, seeking to know and follow Jesus more deeply, they experienced a renewed relationship.

We invite you to prayerfully consider joining us this fall for four Thursday evenings of fellowship, discussion, and spiritual growth. Like the wheat in the parable, God is patiently at work in each of us. Come and allow Him to continue the good work He has begun.

To register or for more information, please contact our Parish Life Office @ 856-939-0592 or email @ holychildfaithformation@gmail.com.

Are you up to date with Sacraments?

There is only 1 week left to register. Are you a baptized Catholic who has not yet received First Holy Communion and/or Confirmation? We would be honored to accompany you on your sacramental journey. Whether wherever you are on your faith journey, we are here to help you grow in your faith and receive the grace of these important milestones. Who are my Faith Supporters

Meet our 2026 Confirmation Candidates

The people I consider my "Faith Supporters" are my family, especially my parents, and my Religious Education teachers. Everyone helped guide me by teaching me right from wrong and encourage me to trust God, like Jesus did for Peter. My family introduced me to God by taking me to church and teaching me how to pray. My teachers helped by reinforcing what my parents taught me which helped me see God in everyday life. My family also support me when it's hard, by reminding me to be honest and brave instead of just doing what is easy.

My sponsor is my sister because I trust her and look up to her faith. I picked my sister because she is kind, responsible, and a good example of how to follow God. She supports me by giving advice, answering my questions, and encouraging me to pray and stay strong in my beliefs. Also, she is always there for me when I need help, and she makes me feel more confident in my faith journey.

I would describe my relationship with God as something that is still growing. Sometimes I feel very close to God when I pray or go to church, but other times I get distracted and forget to focus on my faith. My faith supporters have helped me understand God better by teaching me how to pray and trust Him more each day. I still have some questions like why bad things, but I know it's okay to wonder and keep learning as I grow stronger in my faith.

The Cunningham Family

"My husband and I were raised in strong service and community-driven families. To us, it only made sense to instill the same values in our children. We try to live our lives by helping where we can. The world can feel like it is moving at the speed of light, and volunteering has a way of slowing it down. It reminds us how important community, faith, and giving back is. We talk to others, face to face. We provide a helping hand and hopefully make people feel less alone."

The Cunningham family has been part of our community for 12 years. Lending a hand in most school fundraisers, sports programs, and parish events. Come volunteer with us and meet this beautiful family who set a great example for us all!

Thank you to the Cunningham family for being a wonderful example of faith in action. Your dedication to serving others inspires our entire school community and reminds us that one of the greatest ways to share God's love is through acts of service, kindness, and generosity. Thank you for living your faith so beautifully and encouraging others to do the same.

This summer we would like to highlight examples of our families serving together.
