As we celebrate the 250th anniversary of the signing of the Declaration of Independence and the birth of a nation, often times we are reminded of visions of religious liberty, of second chances and a new beginning so as to live a new life. While this thought most certainly is idyllic and the 13 original colonies were the proving ground of our constitutional republic, for Catholics life was not always easy as America found her way. Many of the persecutions that Catholics faced as a part of the Protestant Reformation found their way to the colonies and Catholicism was not considered a religion worthy of note or recognition - a group of people who substituted the Pope in the place reserved for loyalty and obedience to God. Only three colonies allowed Catholics to vote. Virginia had a standing law to arrest priests for entering the colony. Catholic schools were banned in all colonies except Pennsylvania, where the Catholic Church was protected by the colonial government there. Maryland, of course was originally a haven for Catholics. However, when Catholics were outnumbered 30 to 1, laws were passed in Maryland that prevented Catholics from inheriting or owning land, holding public office and voting. Priests were imprisoned for life and Catholic worship banned. Even in the midst of intolerance, Catholics still played a prominent role in shaping our country. Charles Carroll was the only Catholic to sign the Declaration of Independence. His cousin, John, was the first bishop and archbishop of Baltimore, the first diocese in the United States. His OTHER cousin, Daniel was a delegate to the Continental Congress and signed the US Constitution. Commodore John Barry was in charge of the Navy during the War for Independence and is considered the Father of the American Navy. As a Church we have certainly come a long way in terms of our role in this great nation, but we still strive to preserve and protect the unalienable rights, not just of some, but for all. We ask Almighty God to bless us in our vigilance for the gift of religious liberty. May He give us the strength and courage to defend our freedoms when they are threatened, and courage in making our voices heard on behalf of the rights of His Church and the freedom of conscience of all people of faith.

I found a really neat Ice Cream Flag Cake Recipe. It looks like it's a bit of effort, but it also looks super cool! Give it a shot and Happy 4th of July! <https://www.foodnetwork.com/recipes/food-network-kitchen/ice-cream-flag-cake-3363000>

Family Catechesis Empowering Families

Family Catechesis empowers families to grow together in their relationship with God. Each session offers an opportunity to live out and deepen our faith by sharing our experiences, which in turn strengthens our family bonds. This approach presents an evangelizing vision that can be brought to life in many meaningful ways.

As we grow together, we not only deepen our understanding of the Gospel but also strengthen the connections within our families and our parish community. We hope that you will take advantage of these faith-filled family opportunities. To be put onto our Monthly E-Newsletter, please email us at holychildfaithformation@gmail.com.

Walking together in faith!

Attention New 1st Grade Parents

Important Sacramental Information regarding 1st Communion

Why talk about sacraments now? Mainly because the Diocese mandates that each sacrament carry with it a 2-year preparation program. Meaning, if you want your child to receive 1st Reconciliation and 1st Communion in 2nd grade, they completed First Grade preparation through Religious Ed Sessions or through Catholic School.

Attention New Kindergarten Parents

Did you know our Religious Ed program begins in kindergarten? For the past 6 years we have offered an amazing Kindergarten Class. Our young parishioners are just beginning their spiritual journey.

During their Religious Education sessions, they become aware of all of God's creation as well as Jesus' great love for them as the Good Shepherd. They are introduced to aspects of faith through stories, songs and crafts that help them see God's love and desire for personal relationship with each of us, and how we can respond to God's invitation.

We hope that you will take advantage of such a great opportunity to start our Earlier Learners on their path to discovery all that God is and has to offer us.

Faith Formation for Special Needs Youth of ALL Ages

Embrace – Engage - Empower

We are excited to be working with several families with special needs children from 6 years old to 14 years old. We have been adapting our religious education curriculum to meet the needs of each of these children. There are times when a parent has sat in with their child. For others, we have an aid that sits with student, helping each to work through various activities at their level. Their presence, as well as that of aides, within our program is a sign and symbol of God's love for us all.

Sacramental Preparation:

All children who have been baptized are entitled to receive the Sacraments of Eucharist and Confirmation. Do you have a child that needs to complete the Sacrament of First Reconciliation, First Communion or Confirmation. If so, please contact us for more information on how we can better support your family!

Adult Aides Needed:

As this portion of our Faith Formation program grows, we are in need of more upcoming aides, that can help on a need's basis. If you have the time to just sit with a student and help them follow along in their book and complete classroom activities, please let us know. It's just that easy to sit and we can't do this alone!

Please call our Faith Formation Office to find out how easy it will be and how needed you really are!

JULY 5, 2026

**Votive Mass in Honor
of our Patron
St Maria Goretti
Monday, July 6 7PM
St Maria Goretti
Church**

St. Maria Goretti's final words were: *"Yes, for the love of Jesus, I forgive him, and I want him to be with me in Paradise."* She spoke these words from her deathbed at the age of eleven.

Take a moment to reflect on the extraordinary faith and mercy contained in those words. An eleven-year-old girl, mortally wounded and suffering greatly, chose forgiveness over hatred and trust in God over despair. Her unwavering faith and remarkable mercy continue to inspire Catholics around the world.

As we conclude this novena, may St. Maria Goretti's example challenge us to deepen our own faith, extend forgiveness to others, and follow Christ with courage and love. These are virtues we can all strive to live each day.

We hope you will join us as we honor our patron saint and ask for her intercession this Monday, July 6th.

**OCIA: Order of Catholic Initiation
Summer Sessions
Start July 28!**

Are you up to date with
your Sacraments?

Our Summer Program begins in just a few weeks, and we are excited to welcome a diverse group of participants on their faith journey. This summer, we will be accompanying middle school students who are preparing to receive the Sacrament of First Holy Communion and begin their path toward the Sacrament of Confirmation. We will also be working with high school students, young adults, and adults who are seeking to complete their Sacraments of First Holy Communion and/or Confirmation.

There is still time to join us! Are you a baptized Catholic who has not yet received First Holy Communion and/or Confirmation? If so, we would be honored to help you continue your sacramental journey. For more information or to register, please contact the Faith Formation Office at 856-939-0592.

Sessions will take place
July 28, August 4, 11 & 18
7PM to 8PM, in the Parish Office

*Where are you
In Your Walk With
Jesus*

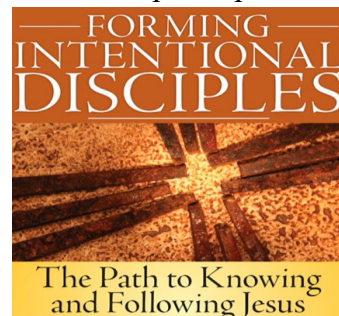

**Spiritual Priorities
Where are you with your walk with Jesus?
Four-Week Book Club, Forming Intentional Disciples**

Today's Gospel reminds us that Jesus is asking us to get our priorities right. He makes it clear that we need to take a deeper look at our spiritual priorities in order to transform our lives and strengthen our families. When we place God first, our relationships with our loved ones deepen, our concern for our neighbors grows, and we become better equipped to face the challenges of the world around us. Then relationship with God, our families, and our community finds true life through self-giving love.

Jesus tells us, "Whoever does not take up his cross and follow after me is not worthy of me. Whoever finds his life will lose it, and whoever loses his life for my sake will find it." (Mt 10:38-39)

This is what our Fall Book Club, Forming Intentional Disciples, is all about, learning from Jesus' teachings and discovering how to put them into practice in our daily lives. Last fall, twelve parishioners participated and throughout those few weeks, shared how the principles of trust, curiosity, and engagement helped them re-prioritize their spiritual journey. Through prayer, reflection, and discussion, they found their relationship with God strengthened and their interactions with family, friends, and neighbors transformed.

We invite you to prayerfully consider joining us this fall for four Thursday evenings of fellowship, discussion, and spiritual growth. Together, we will explore how Jesus' teachings can help us become more intentional disciples and faithful witnesses of Christ in our everyday lives. For more information, please contact our Parish Life Office @ 856-939-0592.

REGIONAL SCHOOL

*Happy
4th of July*

Alumni Association

Remember Yesterday
Celebrate Today
Champion Tomorrow

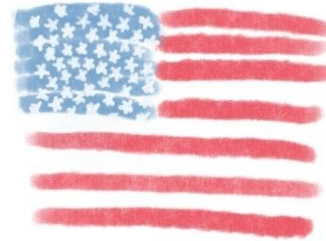

Saint Teresa School

As we celebrate our nation's past and look toward its future, may we also recommit ourselves to carrying forward the legacy of St. Teresa Regional School—one that inspires our students to dream boldly, serve generously, lead faithfully, and make a difference in the world.

As our nation celebrates the 250th anniversary of the founding of the United States, we are reminded of the importance of honoring our roots, preserving traditions, and building strong foundations for future generations.

At St. Teresa Regional School, we share in that same spirit. For generations, our school has been rooted in faith, academic excellence, service, and community. Just as our country was built upon enduring principles and the dedication of those who came before us, our school continues to thrive because of the commitment of our families, faculty, staff, parish, and alumni. This Independence Day, we give thanks not only for the freedoms we enjoy as Americans, but also for the blessing of a school community that continues to shape young hearts and minds through Catholic values and tradition.

May God bless our school, our families, and the United States of America as we celebrate this historic milestone together.

Join our Alumni Association so we can get together to celebrate our foundation

If your foundation was built at St Teresa School and you would like to reminisce with us about your roots, please join our Alumni Association.
