Poor Box

If you pass the poor boxes could you possibly throw some change for the SVdP Society. God Bless.

This weekend marks the beginning of annual vacation with my family. As I have written previously, "the Shore" holds a special place in my heart. Even though I have lived throughout the world and visited incredible places, the beach very much is my happy place and a place of unbelievable relaxation. However, I would be lying if I told you that getting ready for my vacation wasn't filled with its share of issues. It was much more difficult to find help from other priests to help celebrate Mass than normal. Many of the priests that I regularly rely upon are now pastors in their own right and don't have associates. Many of our younger priests who aren't yet pastors have multiple responsibilities that prevent them from helping out. Thanks be to God for the assistance of our retired priests who are still willing and able to celebrate the sacraments! The stark reality is while there are more baptized Catholics than ever before, the gap between the number of priests and people is growing wider, and there may be a time in which there is only one priest assigned to Holy Child. When that happens, there will have to be hard conversations about the liturgical life of the parish. The dwindling number of priests has led to an interesting conversation with one of our parishioners. This parishioner questioned how we approach the prayer for vocations that we pray as a community before every Mass: "*Do we just say it or do we mean it?*" It's very true. We often times get caught up in the rote and the routine of prayer. We can easily go through the motions, forgetting why we're praying as we're praying. So while I'm away, if I could ask you to pray for an increase to the priesthood, the diaconate and religious life. Also, too, please pray for the priests, deacons and religious who serve our parishes, schools and institutions. With every intention of being self-serving, attached is a prayer, written by St. Thérèse of Lisieux for priests:

O Jesus, eternal Priest, keep your priests within the shelter of Your Sacred Heart, where none may touch them. Keep unstained their anointed hands, which daily touch Your Sacred Body. Keep unsullied their lips, daily purpled with your Precious Blood. Keep pure and unearthy their hearts, sealed with the sublime mark of the priesthood. Let Your holy love surround them and shield them from the world's contagion. Bless their labors with abundant fruit and may the souls to whom they minister be their joy and consolation here and in heaven their beautiful and everlasting crown. Amen.

YOU Give Them Something to Eat! Four-Week Book Club This Fall, Thursdays @ 7PM The Path to Knowing and Following Jesus

Usually, when we think about the feeding of the 5,000, we focus on the incredible miracle: how Jesus took five loaves and two fish and fed thousands of people, with twelve baskets of leftovers remaining. But what happened before that moment is just as important. Jesus had just learned that His cousin and friend, John the Baptist, had been killed. His disciples had also experienced a long and exhausting day of ministry, and now the crowds were growing hungry. Seeing the situation, the disciples suggested that Jesus send the people away so they could go into the villages and buy food for themselves.

Yet Jesus responded with a challenge: **“YOU give them something to eat.”** The look on the disciples’ faces must have said it all: *“What do you mean? Us feed them? With what? We don’t have enough!”*

Don’t we sound a lot like the disciples sometimes? How often do we find ourselves saying, *“I don’t have enough”*? I don’t have enough time. I don’t have enough energy. I don’t have enough experience. I don’t have enough to offer. Maybe someone else can do it. Sometimes we become so focused on what we lack that we forget to recognize what God has already placed in our hands.

Jesus challenges us with those same words today: **“YOU give them something to eat.”** He is inviting us not to wait for someone else to step forward. He is asking us not to hold back because we think our gifts, our time, or our resources are too small. He is reminding us that when we place what we have in His hands, He can do far more than we ever imagined.

These are the questions at the heart of our **Forming Intentional Disciples** Book Club. Helping to develop a personal relationship with Jesus, growing in trust, listening to His voice, and allowing Him to transform every aspect of our lives.

Whether you have been active in your faith for many years or are simply looking to deepen your relationship with the Lord, we invite you to join us this fall placing whatever you have into the hands of our Lord. For more information or to register, please call our Faith Formation Office @ 856-939-0592

Spend an Hour with Jesus in Our Divine Mercy Eucharistic Adoration Chapel

Since its inception, our Divine Mercy Eucharistic Adoration Chapel has been a tremendous blessing to our parish community. Spending time with Jesus in the Blessed Sacrament is one of the greatest treasures of our Catholic faith. In the quiet presence of Our Lord, we are invited into deeper prayer, thanksgiving, and a more intimate relationship with Christ truly present in the Holy Eucharist.

Because the Blessed Sacrament is exposed, the chapel must never be left unattended. We are prayerfully asking members of our parish family to consider offering just **one hour each week** with the Lord.

We are currently in need of:

Regular Adorers Especially on **Monday and Wednesdays @ 4:00PM.**

Regular adorers commit to the same one-hour time each week. If you are unavailable on a particular week, we will gladly arrange for a substitute.

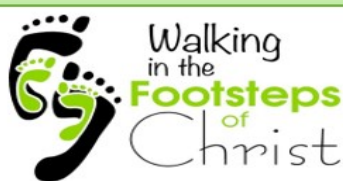

Substitute Adorers – If you cannot commit to a weekly hour but are willing to fill in occasionally, we would be grateful to add you to our substitute list. Substitute adorers are contacted only when a scheduled adorer is unable to attend.

Chapel Hours

Mondays & Wednesdays: 4PM–7 PM
Tuesdays & Thursdays: 9AM–1 PM

Whether you are new to Eucharistic Adoration or have been an adorer for many years, we invite you to experience the peace, grace, and countless blessings that come from spending time in the presence of Jesus.

For more information on becoming a regular or substitute adorer, please contact our Parish Life Office at **856-939-0592.**

Walking together in faith!

Religious Education for Special Needs for All Ages Embrace - Engage - Empower

We are blessed to be accompanying several families with children with special needs, ranging in age from 6 to 14 years old, as they continue their faith journey.

Our Religious Education program has been thoughtfully adapting our curriculum to meet the unique needs and learning styles of each child. For some students, a parent joins them during class to provide support. For others, a dedicated aide works alongside the child, helping them participate in lessons and activities at a pace that best meets their individual needs.

The presence of these children, their families, and our compassionate volunteers enriches our parish community. Together, they are a beautiful sign of God's unconditional love and a reminder that every person has a valued place in the Body of Christ.

We are grateful for the opportunity to help each child grow in faith, experience God's love, and fully participate in the life of our parish.

If you have a child with special needs and are interested in giving us the opportunity to help prepare them for the Sacraments or enroll in our Religious Education program, we encourage you to contact the Faith Formation Office.

We would be blessed to work with your family to help your child grow in faith and experience God's love within our parish community.

Time is Running Out! Are you signed up for our Fall Religious Ed Sessions

If you haven't sent in your re-registration for our Fall sessions, we ask that you do so quickly as we need to start working on our classroom Rosters and supply orders.

Attention New 1st Grade Parents Important Sacramental Information regarding 1st Communion

Why talk about sacraments now? Because the Diocese mandates that each sacrament carry with it a 2-year preparation program. Meaning, if you want your child to receive 1st Reconciliation and 1st Communion in 2nd grade, they have to complete First Grade preparation through Religious Ed Sessions or through Catholic School.

Attention New Kindergarten Parents

Did you know our Religious Ed program begins in kindergarten? For the past 6 years we have offered an amazing Kindergarten Class. Our young parishioners are just beginning their spiritual journey.

During their Religious Education sessions, they become aware of all of God's creation as well as Jesus' great love for them as the Good Shepherd. They are introduced to aspects of faith through stories, songs and crafts that help them see God's love and desire for personal relationship with each of us, and how we can respond to God's invitation.

Is Your Child Up to Date with Sacraments? Order of Christian Initiation for Children

Does your child need to receive the Sacraments of Baptism, First Holy Communion, or Confirmation?

If you have a child in 1st through 8th grade who has not yet received one or more of these sacraments, we are here to help. Whether your family is just beginning your journey in the Catholic Church, returning to the practice of the faith, or your child's sacramental preparation has been delayed, we warmly welcome you. Our Order of Christian Initiation for Children (OCIC) classes are integrated into our Sunday morning Religious Education program, which begins in September. This allows children to prepare for the sacraments while learning and growing in faith alongside their peers. For more information, please contact the Parish Faith Formation Office.

**Ever Consider being an Emmaus Ambassador
Information Session, Wednesday, August 12
7PM in the Parish Office**

Often, it is not the big, dramatic moments that shape our faith the most, but the small, consistent acts of love, service, and faithfulness. It is in these everyday moments that Christ is revealed, and our parish family grows stronger.

We are blessed with many opportunities to walk with one another in faith. Through simple acts of hospitality, encouragement, and friendship, we can help others encounter Christ while strengthening the bonds that unite us as a parish community.

We invite you and your family to prayerfully consider becoming an **Emmaus Ambassador** or **Emmaus Family Ambassador**. Inspired by the disciples on the road to Emmaus, ambassadors accompany others on their faith journey by offering a welcoming presence, building relationships, and fostering a spirit of belonging within our parish. There is a place for everyone .. children, teens, adults, seniors, individuals, and families. Whether you can offer a few hours each month or become involved in a particular parish event, your gifts can make a meaningful difference. Below is a glimpse of the many opportunities available to share your time, talents, and faith while helping our parish family continue to grow.

Join us on **Tuesday, August 12**, for an informational gathering to learn more about becoming an Emmaus Ambassador or Emmaus Family Ambassador. **All ages are welcome!** Please RSVP by contacting the Parish Life Office at 856-939-0592. We look forward to walking this journey of faith with you!

**Is God calling you to be a volunteer for
our Religious Education Program?!**

**Meet our Catechesis in an Information Session
Wednesday, August 19, 7PM, St Teresa School Hall**

Wonderful and dedicated volunteers are at the heart of all our programs. As we continue to grow in leaps and bounds, we are always in need of volunteers who are willing to walk with our youth as they journey toward a deeper and more intimate relationship with our Lord.

With my schedule, I am afraid to commit. We understand everyone has a busy schedule and we want to work around your availability. Our goal is to gather first and then distribute according to needs and availability. How do you know until you come see for yourself.

But there is NO WAY I'm qualified. Don't forget there were so many of Jesus' disciples who felt the same way, most of all Peter! God works with you and your gifts and so do we. Just like the twelve were sent out two-by-two, we take small and easy steps, pairing you with a mentor that walks this journey with you. You'll never be alone!

What's my next step? We are asking you to prayerfully consider joining a wonderful group of people. One guarantee is, you will get so much more out of it than you ever thought. It is a very rewarding ministry for our volunteers as well as our youth. Please consider joining us on August 19 for an information session, giving you a chance to meet volunteers and see how you can be an essential part of our program.

The Moore Family

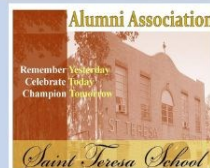

Why We Volunteer Together as a Family

The Moore family has been a dedicated part of our community since 2008, building a legacy rooted in faith, service, and community involvement. For more than 15 years, this family has generously volunteered their time, shared their talents, and strengthened the school & parish through their commitment to serving others and living out their faith. Their volunteer efforts have included helping with the Tree Lighting celebration, Field Day activities, school trips, clubs, Vacation Bible School, the parish lawn festival and so much more. Their dedication reflects their belief in giving back and sharing the Word of God with others while creating meaningful memories with the community.

"Service has become a tradition for our family. My daughter and I work in PreK and Aftercare programs and also coach the girls' volleyball team, while my husband has volunteered his time coaching the boys' basketball team and our sons volunteer at school and parish events. Together, we have embraced opportunities to support students, families, and staff both inside and outside the classroom.

Our family's love for the school and parish has inspired us to remain active volunteers year after year. We are passionate about helping others experience the same sense of belonging and faith-filled community that we discovered when we first joined. Our hope is that every family will come to love the school and parish just as much as we do." Above all, the Moore family believes that faith calls them to serve, that their school community is an extension of their family, and that by working together they can make a positive difference. Their journey is one of gratitude, service, and commitment to Christ, and they are thankful for the opportunity to grow in faith and create lifelong memories alongside their school and parish family.

We thank the Moore Family and all that they bring to our community!
