I AMTICO

DIGITAL CONTENT

So much goes into our products and we'd like to share this with you. That's why we've developed complementary digital content to enhance your experience. Wherever you see the digital content symbol in our brochure you'll know that there is much more to see.

You'll find short web links and QR codes that, when scanned, take you directly to a wealth of product detail. Go beyond the printed pages and explore more of the Signature collection for a truly Amtico experience.

For direct access to specific pages on our website download a QR reader from your app store and scan the codes that feature throughout the brochure.

AMTICO

SIGNATURE COLLECTION

Presenting our latest flagship collection - 188 of our finest designs. Developed using innovative techniques. Derived from inspirational design insights. Beautifully crafted. These products break the mould.

Wood, stone, abstract - every design is distinct. Add to this an incredible versatility - choose how to combine, cut and lay product - and this range gives you complete freedom to create. And it's this that makes the Signature collection so uniquely Amtico.

FIND OUT MORE

Browse our entire Signature collection at amtico.com. Get hints and tips on an extensive array of product combinations and discover how you can make an Amtico floor your very own.

FIND A RETAILER

If you want expert guidance on design options and choosing a floor, or advice on installation and maintenance, you'll want to speak to a dedicated Amtico Flooring Specialist.

Visit our 'Find a retailer' page on the website or scan the QR code. Simply enter your nearest town, city or postcode to find your nearest retailer.

ORDER SAMPLES

To help you choose the right product for your home we offer a free sample service. You can order up to 6 samples. Simply key in the product name or codes and provide us with your contact details to complete the order.

Visit our 'Order Samples' page on the website or scan the QR code.

ROOM VISUALISER

Experience the Signature collection with our interactive room visualiser. Select from wood, stone or abstract designs. Choose a laying pattern. Craft your design until it's exactly what you want.

Scan the QR code to visit our room visualiser.

Every effort is made to achieve accurate reproduction of products in this brochure, however printing limitations can be misleading. Selection of products should be made from actual samples. Samples are small pieces cut from standard files. They give only a general indication of the design. Tone and shading can vary slightly from batch to batch, and it is not possible to guarantee that the sample will exactly match the material supplied. The policy of the Company is one of continuous development and improvement and the right is reserved to add or delete from the range or change patterns without prior notification.

DESIGNED FOR A SUSTAINABLE FUTURE

Amtico recognizes its responsibility for protecting and preserving the environment.

WARRANTY

You can be assured of our commitment to quality and durability with our 25 year transferable residential warranty.
