The District is a political subdivision of the State of Texas operating under Chapter 775, Texas Health & Safety Code and other applicable law.

The purpose of the District is to provide emergency services to residents of the District. This District may elect to participate in the depository contract for Milam County, should legal counsel advise that such participation is permissible, and the District reserves the right to reject any or all of the proposals.

The terms and provisions of Chapter 116, Texas Local Government Code, Chapter 775, Texas Health & Safety Code, and other applicable law apply to this depository contract and are incorporated herein by reference. The term of this Depository contract shall be for at least 2 years commencing approximately October 7, 2025, and extending thereafter as determined by the District.

Bids will be opened at the regular Board of Emergency Services Commissioners ("Board") meeting on October 7, 2025 at 120 West Ave E, Milano, TX 76556, in the course of business pursuant to its agenda and in accordance with the Texas Open Meeting Act. Proposals will be opened and read aloud. Proposals will be evaluated and the one considered by the Board as representing the most favorable terms and conditions to the District shall be selected. Proposals must be presented on the form ("Depository Application") provided. Additional information or material may be provided, but the Board's decision will be primarily based upon a comparison of the standardized forms ("Depository Application") received. The District may reject any or all proposals, waive any non-material irregularities, information or omissions, and reserve the right to negotiate specific terms and implementation procedures of the final contract with the qualified banker.

Any and all applicable fees shall be included in the Proposal.

Questions to members of the Board are discouraged. No member of the Board is authorized to modify the proposal or bind the District in any way.

Regular monthly statements will be forwarded with the District's monthly bank statement outlining the details of any earnings.

The bank shall provide a list of contact personnel within the bank who are qualified to provide information and assistance in every applicable area (investments, safekeeping, bookkeeping, etc.)

This contract shall be for a term of years determined by the District. The depository hereby selected shall
