As we welcome August, it's hard to believe how quickly summer is moving along. The beautiful weather has given us many opportunities to enjoy the outdoors, spend time with friends and family, and take part in the many activities that make Heathwood such a special community.

I would like to thank everyone who joined us for our annual Chicken BBQ. It was wonderful to see so many residents, families, staff, and friends come together to enjoy good food, great conversation, and a beautiful summer day. These gatherings are about much more than a meal—they

strengthen the sense of community that makes Heathwood feel like home.

As summer continues, our Wellness Team has planned a variety of activities, outings, and entertainment to keep everyone active, engaged, and having fun. Whether it's enjoying time on the patio, participating in a favorite program, or simply sharing stories with neighbors, there are countless opportunities to make the most of the season.

I also want to recognize our incredible staff for their dedication and compassion.

Accents Continues ...

Their commitment to providing exceptional care and service each day is what makes Heathwood such a warm and welcoming place to live. I hope everyone enjoys the rest of the summer, and I look forward to all that the coming months have

in store for our Heathwood family.

Tim Kane

Personality
Profiles

Tim Kane was born in Buffalo on March 17, 1947. His parents were James and Ellen Kane. He is the second of five children. Tim had an older sister, Kathleen, who has passed, a younger brother Jimmy, and two younger sisters, Patricia, and youngest sister Colleen, who has also passed away. The family grew up in Eggertsville and Williamsville. Tim went to school at St. Benedict's until 7th grade. He attended St. Peter and Paul then graduated from Canisius High School. He went on to LeMoyné College and graduated with a degree in economics. He studied at UB law school for three more years to earn J.D.

Tim met his wife to be, Rosemary, when she came in as a freshman and he was on the orientation committee. He was a sophomore at the time. She was stunning and he was smitten. They started to date two weeks later. According to Tim, they were annoyingly affectionate up to the time of her recent passing. They enjoyed dancing, movies, lots of concerts, and fine dining. They married after his sophomore year when she dropped out to support his school expenses. They waited several weeks before honeymooning in Cape Cod.

Shortly after their marriage,

Rosemary became pregnant and Tim began his long, long hourly work/school schedule to support the growing family. He worked full time as the night watchman at the Buffalo Sewer Authority as well as being a full-time law student during the day. First there was Tara, who now works for her brother-in-law and currently resides in Williamsville. Next came Kelly. She works in education in Tulsa, OK. Megan works in physical therapy in Massachusetts and only son, Tim Jr., works in metal forging for a facility in Hamburg. There are six grandchildren, five boys and one girl. They are engineers, artists, and actors.

Tim played golf for years but learned to hate it. He read voraciously and was heavily involved with Babe Ruth Baseball for 25 years where he coached, was a league official, and ultimately ended this volunteer service as state commissioner. He held season tickets to the Sabres, traveled extensively throughout the U.S., is a big fan of the Yankees and made it to Toronto for every game they played there. His college skills of meeting and greeting are very much in evidence here as he tries to make everyone feel comfortable.
