DID YOU KNOW?
All of our bread, butter tarts and dessert squares are made by a local bakery, the Gingerbread House in Kilworth. That means no preservatives, all-natural ingredients, and a fresh product.
We roast fresh whole chickens weekly for the pulled chicken on your sandwiches. Our beef and turkey breast are roasted fresh in house every week. We serve Black Forest Ham. It is all real meat, no processing, no preservatives. All meats are sliced fresh every day for your sandwiches.
Our cheese is Canadian, real and not processed and sliced fresh for your sandwiches.
Our coffee is custom roasted and blended by Fire Roasted Coffee right here at 630 Dundas.
Our premium fruit juices come from Black River, a 100% Canadian company using local fruits from Ontario and Quebec.
We are proud to be a part of the exciting growth and change happening in the Old East Village. We are proud to support our local vendors and give back to our community. We are grateful for your continued support of Willie's Café.
