

College Art Scholarship Application Form

Going on our second year, Mad Arts is providing a \$350 scholarship to three high school students who are going to pursue Visual Arts in college. They must demonstrate creative excellence, commitment and courage in their visual art field of interest. It is our intent to assist with the necessary financial requirements for college art education, reduce some financial stress, and help to boost a student's self-confidence. We hope to allow an aspiring artist to focus more on creative pursuits, rather than being burdened by finances. Scholarships help validate an artist's talent and dedication, recognizing their achievements in high school and in extra-curricular creative pursuits.

Eligibility

Applicants must be a resident of one of the following towns: Waitsfield, Moretown, Fayston, Warren, Duxbury or Waterbury. They also must be a graduating senior planning to pursue art in college.
