Our aim is to pioneer and provide the best in tapware, accessories and plumbing items to your satisfaction.

When choosing tapware and accessories, the look and feel are probably most important followed by price. For more than 35 years, Pacific Products has specialized in providing the best quality tapware and accessories in ranges to suit all budgets.

Proudly Australian, Pacific distribute from our central distribution and administration centre in Queensland. Hand assembled tapware and accessories are checked before despatch at our Brisbane facility under our quality control management system. All Pacific products meet and comply with the relevant Australian Standards AS/NZS 3718:2005, AS/NZS 3662:2005 and AS/NZS 6400:2005.

For Australian bathrooms, laundries and kitchens, in domestic and commercial buildings, for one-off purchases or quantity orders, whether new constructions, renovations or replacements, Pacific strives to pioneer and provide the best quality tapware, accessories and plumbing supplies to the satisfaction of our customers.
