## **NYP - Strictly Necessary Cookies and Similar Technologies**

Strictly necessary cookies are essential for the website to function correctly. These cookies may also be used to assist in fraud prevention and security. You can set your browser to block or alert you about these cookies, but without them, performance of the site may be affected and you may not be able to take full advantage of all services and/or features of the site.

### **Strictly Necessary Cookies**

These cookies are necessary for the website to function and cannot be switched off in our systems. They are usually only set in response to actions made by you which amount to a request for services, such as setting your privacy preferences, logging in or filling in forms. You can set your browser to block or alert you about these cookies, but some parts of the site will not then work. These cookies do not store any personally identifiable information.

### **Newscorp.com Analytics Cookies**

We and our service providers, such as Google Analytics, use analytics cookies to collect information about your use of the website to help create reports and statistics on the performance of the website, which enable us to improve the way they work. Analytics cookies collect information such as your IP address, type of device, operating system, referring URLs, country information data and time of page visits, and pages visited. This information allows us to identify overall patterns of usage on the website, and help us record any difficulties you have with website. For information about how to opt-out of Google Analytics cookies, please use the following link: [Google Analytics](#)

### **Submit an Access, Correction or Deletion Request to NYP Privacy**

Residents of CA, CO, CT, UT and VA have certain other rights with respect to their personal information. Should you wish to exercise any of those other rights, please indicate your preferences through the "Submit Request" link provided below. [Submit Request](#)

### **Do Not Sell or Share My Personal Information only for NYP Print Subscribers**

If you are a CA, CT or VA resident and currently subscribe for (or are a former subscriber of) home delivery of the print edition of the New York Post, you may opt out of offline third party sales by using the "Submit an Opt Out Request" link below. (Note: this option does not apply to residents of CO or UT because there is no home delivery service in CO or UT.) [Submit an Opt Out Request](#)

### **Do Not Sell or Share My Personal Information for NYP Internet and Mobile Users**

Do Not Sell or Share My Personal Information for NYP Internet and Mobile Users

If you do not wish for us or our third party partners such as advertising networks and social media platforms to sell or share your personal information to others, please **click the red "Do Not Sell or Share My Personal Information/Opt-Out" button provided below**. If you access this site and/or app from other devices or browsers, or clear your cookies on your devices or browsers, you will need to indicate your preferences again from those devices or browsers. Please note that after making your "Do Not Sell or Share" request, you may still see advertising and we may continue to share personal information with our service providers who use such information on our behalf. To learn more about interest-based advertising across sites and additional opt-out choices, you can visit <http://optout.aboutads.info> and <http://optout.networkadvertising.org>.

### **Knewz - Analytics Cookies and Similar Technologies**

We and our service providers, such as Google Analytics, use analytics cookies to collect information about your use of the website to help create reports and statistics on the performance of the website, which enable us to improve the way the site works. Analytics cookies collect information such as your IP address, type of device, operating system, referring URLs, country information data and time of page visits, and pages visited. This information allows us to identify overall patterns of usage on the website, and help us record any difficulties you have with website.

### **Knewz - Advertising Cookies and Similar Technologies**

We may also partner with our affiliated companies, social media platforms and other third parties where those companies and platforms gather information through advertising cookies of users of our site in order to deliver targeted advertising campaigns or advertisements to such users while they are on those social media platforms.

### **NYP - Functionality Cookies and Similar Technologies**

Functionality cookies collect information regarding your choices and preferences (such as, your language preference, user name, or location) to provide a more personalized online experience and show you content relevant to where you are, such as customizing a certain webpage or remembering if we have asked you to sign up for our Services. With mobile or other internet enabled devices, functionality cookies may collect a unique identifier assigned to an internet enabled device (mobile, tablet), geolocation data or other traffic information for that device. These features help us improve your experience with the website, for example, to determine the appropriate device location during a session or count articles viewed.

### **NYP - Analytics Cookies and Similar Technologies**

We and our service providers, such as Google Analytics, use analytics cookies to collect information about your use of the website to help create reports and statistics on the performance of the website, which enable us to improve the way the site works. Analytics cookies collect information such as your IP

address, type of device, operating system, referring URLs, country information data and time of page visits, and pages visited. This information allows us to identify overall patterns of usage on the website, and help us record any difficulties you have with website.

### **NYP Obsolete**

Obsolete/cookies not in use

### **Social Media Cookies**

These cookies are set by a range of social media services that we have added to the site to enable you to share our content with your friends and networks. They are capable of tracking your browser across other sites and building up a profile of your interests. This may impact the content and messages you see on other websites you visit. If you do not allow these cookies you may not be able to use or see these sharing tools.

### **Targeting Cookies**

These cookies may be set through our site by our advertising partners. They may be used by those companies to build a profile of your interests and show you relevant adverts on other sites. They do not store directly personal information, but are based on uniquely identifying your browser and internet device. If you do not allow these cookies, you will experience less targeted advertising.

### **Performance Cookies**

These cookies allow us to count visits and traffic sources so we can measure and improve the performance of our site. They help us to know which pages are the most and least popular and see how visitors move around the site. All information these cookies collect is aggregated and therefore anonymous. If you do not allow these cookies we will not know when you have visited our site, and will not be able to monitor its performance.

### **Functional Cookies**

These cookies enable the website to provide enhanced functionality and personalisation. They may be set by us or by third party providers whose services we have added to our pages. If you do not allow these cookies then some or all of these services may not function properly.

### **NewsCorp.com Strictly Necessary and Functionality Cookies**

Strictly necessary cookies are essential for the website to function correctly. These cookies may be used to assist in fraud prevention, security and to enable filling in forms. You can set your browser to block or alert you about these cookies, but without them, some parts of the website may not work.

Functionality cookies may collect a unique identifier assigned to an internet enabled device (mobile, tablet), geolocation data or other traffic information for that device. These features help us improve your experience with the website, for example, to determine the appropriate device location during a session or store language settings.

### **NewsCorp.com - Unknown cookies**
