

Quoted Swap Curves

Actual dealer quotes for real-world decisions.

At SQX, quoted swap curve data is our speciality.

- **Worldwide Coverage:** We supply bid and ask yields for a wide range of global currency.
- **Constant Updates:** We provide an updated file on an end-of-day or intraday basis, so you get updates as soon as we do.
- **Full Transparency:** We always tell you how our quoted swap curves were created.
- **Customers First:** We customize solutions to your needs. Our responsive team resolves most issues within 24 hours.
- **Competitive Costs:** SQX quoted swap curve pricing allows you to pay a fraction of what other data providers charge.
