

Structured Note Broker Quotes

Full coverage, fully customizable.

At SQX, solving your Structured Note data needs is our specialty.

- **Pricing Expertise:** Pricing is our primary business, not an afterthought. We provide better data faster.
- **Intraday Updates:** Our secure client accounts provide you with intraday updates, so you get price changes as soon as we do.
- **Customers First:** We customize solutions to your needs. Our responsive team resolves most issues within 24 hours.
- **Comprehensive Coverage:** SQX provides the most comprehensive broker coverage in the U.S. for structured notes.
- **Unified File:** We provide clients with a single consolidated file for structured notes.
- **Worldwide Relationships:** SQX fosters relationships with dealers around the world, including domestic and foreign sell-side desks.
