April Vogl

Please join us in
welcoming April Vogl to
our MiPortland Downtown B
tors.

April has been volunteering for MiPortland since 2019 when she expanded her business, OM's Garden to the 2Rivers Marketplace incubator. Since that time she has steadily grown her business, and involved her family in Portland. April has attended both Team and Board meetings regularly to stay informed and shares that information with others. We're looking forward to all we can accomplish together!
