PRO Report – Breed Council Zoom Meeting – Tuesday 28th March 2023.

Following a recent email from myself to Members of the Breed Council, I am exploring the possibility of organising a "Breed Booth" at various events around the country.

I have made initial contact with the organisers of Dog Fest and All About Dogs and both events are keen to offer the Staffordshire Bull Terrier a booth/stall in order to promote the breed, give out information about the breed, as well as health testing, and to capture any data that we, as a breed, are collecting.

Our attendance at these events will be very similar to the Breed Booth at Discover Dogs at Crufts. I know that All About Dogs require us to bring our own gazebo but I will confirm other details and expectations as soon as I receive it.

I have only received responses from the organisers over the last couple of days so everything is still in the early stages from our perspective.

The dates of the events are as follows:

15th & 16th April - Newbury Showground, All About Dogs - Myself & Spencer are available for this and have a gazebo so anyone who can or wants to come and help, please let me know ASAP.

22nd & 23rd April - Newark Showground, All About Dogs

30th April & 1st May - Hylands Park (Chelmsford), All About Dogs

13th & 14th May - Belvoir Castle, Grantham NG32 1PE, Dog Fest

27th & 28th May - Loseley Park, Guildford GU3 1HS, Dog Fest

10th & 11th June - Ragley Hall, Alcester B49 5NJ, Dog Fest

17th & 18th June - Tatton Park, Knutsford WA16 6QN, Dog Fest

27th & 28th August - Norfolk Showground, Norwich, All About Dogs

(27th August - Edition Dog Live, Stoneleigh Park - SBTC already picking this up but any/all volunteers welcomed)

(27th August - Happy Staffie Rescue Fun Day, Bewdley - SBTC already picking this up but again, anyone/everyone welcome to help)

2nd & 3rd September - Ashton Court, Bristol BS41 9JN, Dog Fest.

Links below to all of these events so you can take a look and share with your Committee.

I believe that the expectation will be very similar to Discover Dogs - meet the public, bring your dog and chat about the breed.

Could each Club discuss with their Committee ASAP and, if possible, give me the name of a point of contact for your Club and the details of the Event you are interested in supporting. The Club would need to be represented on BOTH days of any event you wish to support but it does not have to be the same people or dogs. No fund raising or sales.
