Dear Friends, Families, & Fairgoers,

Welcome to the 90th Annual Saline Community Fair!

For ninety years our fair has brought together generations of families, neighbors, volunteers, exhibitors, and visitors to celebrate the traditions, values, and spirit that makes our community so special. Reaching this milestone is truly an honor, and it would not be possible without the continued support and dedication of everyone involved.

The Saline Community Fair has always been more than just rides, animals, exhibits, and entertainment. It is a place where memories are made, friendships are strengthened, and our agricultural roots and community pride are proudly showcased. Whether you are attending for the first time or carrying on a family tradition that spans decades, we are grateful you are here to celebrate with us.

This year's fair reflects the hard work of countless volunteers, board members, sponsors, youth organizations, exhibitors, and community partners who dedicate their time and energy to making the fair a success year after year. Their commitment keeps this tradition alive for future generations, and we sincerely thank them for all they do.

As we celebrate 90 years of the Saline Community Fair, we also look ahead with excitement and appreciation for the future of this incredible event and the community that supports it.

On behalf of the Saline Community Fair Board, thank you for being part of this special tradition. We hope you enjoy everything that the fair has to offer and create lasting memories with your family and friends.

See you at the fair!

Sincerely,

Dear Friends,

It's county fair season, Michigan! Grab your family and friends and head down to one of Michigan's 80+ county fairs happening in communities across our state during the 2026 fair season.

From the grandstand concerts at the Ionia Free Fair, one the nation's largest free-admission fairs, to classic livestock shows and agricultural exhibits at the Hillsdale County Fair, Michigan's county fairs feature learning and fun for the whole family.

There's something special about our communities coming together each year for their county fairs and celebrating what makes Michigan such a great place to live—our vibrant communities, rich agricultural heritage, and hardworking families. Whether you're enjoying local foods, cheering on the next generation of 4-H stars and future leaders of Michigan's agricultural industry, or just soaking in the excitement, I have no doubt that you will have a great time at your local county fair.

As your Governor, I am proud of the hard work and passion that goes into the exhibits and projects showcased at our county fairs. I want to thank all the sponsors, exhibitors, or fairgoers for supporting your community.

Sincerely,

DR. TIM BORING
DIRECTOR

Dear Friends,

On behalf of Michigan's fair industry, welcome to the 2026 county fair season!

Millions of people attend Michigan's county fairs each year, enjoying the sights, sounds, and activities that have become an annual tradition across the state.

Michigan's county fairs are cornerstones of social and cultural community identity. These annual events bring people together and maintain essential connections to rural traditions at a time when people are increasingly disconnected from agriculture and food production. Our state's more than 80 local, county, and state fairs provide safe, family-friendly entertainment and celebrate our important agricultural heritage.

County fairs also support nearly 50,000 Michigan youth who participate in livestock and community art exhibitions each year. These youth activities are meaningful educational and professional development opportunities and build lifelong connections with agriculture. The support provided by local businesses and families also provides meaningful resources for continuing education.

Since 2019, MDARD has delivered more than \$7.9 million in grants to help county fairs build grandstands, livestock barns, and other infrastructure and to support livestock and commodity exhibitions. For 2026, MDARD launched a new grant program to help county fairs invest in water infrastructure upgrades including water lines, wells, and filtration systems. And MDARD continues to support the safety and success of county fairs by licensing and inspecting food vendors, performing animal health inspections, and delivering educational programming.

Whether you are here as a sponsor, exhibitor, or fairgoer, many family memories await you. I wish you great adventures during the 2026 fair season.

Sincerely,

A handwritten signature in black ink that reads "Tim Boring".

IN MEMORIAM

The foundation of the Saline Fair rests on the volunteer spirit of countless area residents who have labored long and hard over the years to build an event enjoyed by all ages.

The Saline Fair that we know today is due in large part to the work performed by the men and women of earlier generations. Their vision, dedication, and willingness to work as one have helped the Saline Community Fair keep pace with the changes of today. In honor of those workers who have passed away over the years, we ask that you pay tribute to their memories as a way of expressing the community's gratitude for a job well done.

SALINE COMMUNITY FAIR ASSOCIATION

The early history of the Saline Community Fair had its beginning in the Agriculture Department of the Saline High School. When the Vocational Agriculture program was introduced in the school in 1935 the students' projects were prepared for an exhibit in the agricultural room in the basement of Union School. The first annual fair was held in 1936 as an educational activity of the Saline Chapter of the Future Farmers of America.

Started in 1936, it was the first community fair in Washtenaw County and was held on November 13, one day only, as a means of showing the projects which the FFA boys had completed during that year. It was sponsored by the Saline Chapter of the Future Farmers of America and the Saline Schools cooperating and was held in the Union School hallways and gym.

In October 1944, the Saline Fair was reorganized and incorporated as a nonprofit corporation. The reorganization provided a structure for expanded community involvement and growth to recognize the skills, talents, recreation and interests of area residents by holding an annual fair.

The officers and board of directors are responsible for year-round business, but the success of the fair largely depends upon the numerous volunteers from the community.

THE NATIONAL SHOW RING CODE OF ETHICS

It is the intent of the livestock show management to provide each and every exhibitor an atmosphere of competitive spirit that promotes an educational experience, as well as honesty and integrity. As an exhibitor, you have spent countless hours caring for your live animal. Through this project, you have gained knowledge in animal husbandry that includes selection, genetics, nutrition, health, fitting, showing, economics, and marketing. Hopefully, you are also developing life skills such as, communication, leadership, cooperation, discipline, responsibility and financial management. By participating in this competitive event, you are putting your hard work and effort on display before judges who will evaluate your livestock at this show. Your skills and knowledge are also on display and evaluated by the general public.

It should give each and everyone of you the utmost satisfaction knowing that you are entering this event with a clear conscience that you did your best, and will walk away with more than you had coming into this competition. Experience is a valuable teacher. It allows each of you as exhibitors to gain knowledge and enables you to improve each time you participate in any type of function, whether it is livestock or non-livestock related. The Livestock Show Management strives to provide each participant an opportunity for a positive educational experience and the potential to enjoy competitive excellence. Remember that the choices you make today will determine what you will have, be and do in the tomorrows of your life.

The management of this livestock show expects each exhibitor to perform their own work and present an honest animal for competition to the best of their ability. There is no place for individuals that incorporate deception, dishonesty, cheating or sacrifice the humane treatment of the animals for the cost of winning at this show. Cheating defeats the purpose of the livestock show to teach animal husbandry and to improve the genetic pool. Those exhibitors who choose not to follow the rules and guidelines of the livestock show will not be allowed to participate.

Remember the creeds of 4-H and FFA organizations, as well as "THE NATIONAL SHOW RING CODE OF ETHICS". You are a representative of over one million young people who are privileged to participate in fairs and livestock shows throughout the United States, and each of you need to uphold the integrity of the youth programs you represent. Above all, be honest with yourself and fellow livestock exhibitors.

Livestock Show Management expresses to each and everyone of you best wishes during our show. We hope the experience you gain will be positive, educational, challenge you to continue to improve your skills in animal husbandry, provide you with an understanding atmosphere of sportsmanship and help to promote honesty and integrity in everything you do.

Sincerely,

Saline Community Fair
