Any Club not maintaining the grade set for the Competition may be relegated at the end of the Playing Season to a step determined by The FA.

Any delay in inspection shall in no way release a Club from its obligation to have its ground ready for inspection. If for any reason a Club's existing ground, or any new ground in which it proposes to play its home matches in the season following inspection, is not available for grading by 31st March prior to commencement of the relevant season then the Club must, by the 31st March, submit to the Board in writing its proposals for a venue for its home matches in the following season ("alternative proposal"), such alternative proposal to be considered (and if appropriate) approved at the next Board Meeting after 31st March. The alternative proposal may not be for a continuation of any ground share arrangement if the Club has had a ground sharing arrangement for the previous 2 seasons, or any part thereof, even if those arrangements have related to more than one ground.

Any approval of the alternative proposal will be subject to the issue of a grading certificate. The Board will use all reasonable endeavours to inspect the ground after receiving the alternative proposal and prior to the Board meeting, but if it is unable to do so then any approval of the alternative proposal will be subject to the issue of a satisfactory grading certificate. - 3. All decisions of the Board shall be binding, subject to a right of appeal to The FA pursuant to Rule 16. Decisions of the Board must be notified, in writing, to all concerned within fourteen days of the making of such decision.

Upon becoming aware of any breaches of these Rules the Board shall write to the entity suspected of a breach formally charging the party giving at least 7 days' notice of the time, date and venue of the meeting at which the charge shall be considered.

The party charged will respond in writing to the Board within 7 days stating whether or not the charge is admitted and in default the Competition will deal with the case on the evidence it has at the time. If the charge is disputed or if the party admitting the charge wishes to present a plea in mitigation, it shall have the right to a personal hearing. If the Rule provides that the penalty for such a breach is in the discretion of the Board then the notice shall also state as such. If the penalty set by Rules is not a financial penalty then such penalty must still be referred to in the Notice of Charge.

All breaches of the Laws of the Game Rules and Regulations of the Football Association shall be dealt with in accordance with FA Rules by the appropriate Association prior to any action by the Competition in accordance with FA Regulations.

6. REGISTRATION OF PLAYERS

1. A qualifying Player registration

The FA's rules will apply in respect of all matters concerning players.

- 6.1.1 A Player is one who has been registered via the relevant Online Player Registration System and such registration has been approved by the Competition.

COMPETITIONS OTHER THAN NATIONAL LEAGUE

A Player will only be eligible to play in a match organised by the Competition if his registration form; transfer form, or loan transfer form, has been received by the Company, via the Online Player Registration System, not less than four hours before the scheduled kick-off of the match in which the player is required to play and found to be in order, and so registered. It is the responsibility of all Clubs to ensure any player registering, has, where necessary, the required International Transfer Certificate and in the case of Contract Players, including those on loan, must have approval from The Football Association. Clubs are also responsible for all players being correctly registered before fielding any player. Failure to do so constitutes misconduct and the Club will be charged with fielding an ineligible player.

The Registration of Players are subject to fees in accordance with the fees tariff.

The status of a player must be clearly stated on the registration information submitted. Hard copies of the registration form are not required to be submitted to the Competition. However, these must be completed, signed and retained by Clubs in case of dispute or in case requested by The FA and/or the Competition. The registration of a Player will be valid from the date of registration to the end of that Playing Season only or, if in the case of a Contract or Loan Player whose contract or loan expires before the end of the Playing Season, for the term of the said contract or loan.

- 6.1.2 A Player may only play under his correct status. Any change of a Player's status during the currency of a registration must be notified to the Competition within five (5) days of the change of registration being affected.

In the event of a Player changing his status with the same Club either from Contract to Non-Contract or from Non-Contract to Contract then that Player must sign a new registration form (which is to be retained by the Club), complete a new registration process via the Online Player Registration System, and be re-registered. In default the Player re-registering will be ineligible to play in a match under the jurisdiction of the Competition and Rule 6.9 will be applied in such circumstances where a Club is found guilty of playing a Player who has changed status without re-registering.

A Player whose registration under Contract is cancelled by mutual consent and immediately re-registered by the same Club or a different Club on a non-contract basis shall not subsequently be registered as a Contract player with the Club for which his Contract was cancelled, within three months of the date of the cancellation except with the consent of the Board and The FA.

- 6.1.3 The Board shall have the power to make application to refuse or cancel the registration of any Player charged and found guilty of undesirable conduct subject to the right of Appeal to the FA or the relevant County Football Association. Undesirable conduct shall mean an incident of repeated conduct, which may deter a Participant from being involved in this Competition. Application should be made to the parent County of the Club the Player is registered with.

(Note:- action under this clause shall not be taken against a Player for misconduct until the matter has been dealt with by the appropriate Association, and then only in cases of the Player bringing the Competition into disrepute and will in any case be subject to an Appeal to the Football Association. For the purposes of this Rule, bringing the Competition into disrepute can only be considered where the Player has received in excess of 112 days suspension, or 10 matches in match based discipline, in a period of two years or less from the date of the first offence.)

- 6.1.4 The Board shall also have the power to place an Embargo on the registration, transfer or loan transfer of Players by any Club deemed to be in breach of these Rules. Where a Club has been subject to an Embargo that is ongoing (if applied by the Competition or another) then the Embargo shall continue to apply until the Club can demonstrate to the satisfaction of the Board that the circumstances that resulted in the Embargo no longer apply.

2. Registration Period

- 6.2.1 After 5.00pm on the 31st March each Playing Season new registrations, new loans, and transfer of registrations will be declined or will be approved subject to such limitations and restrictions as the Board may determine and, if so determined, the Player shall only be eligible to play in the matches for which permission is granted by the Board.

4. Registrations and Registration Procedures

No Player whose registration, including Loan registrations, is received by the Company less than four (4) hours before the match organised by the Company in which he is required to play will be eligible. Any loan registration must also be approved by the Football Association before that Player can be considered eligible to play.

The registration of a Player is not automatically valid and it is the responsibility of the Club to ensure the player is NOT registered with any other Club. When the Player involved was previously registered with another Club it is necessary for that Club to complete a transfer form via the Online Player Registration System or for the players' original registration to have been cancelled prior to or at the same time as the registration to the new Club.

The Club submitting the latter form shall be notified of the prior registration of the Player, and the circumstances under which the registration forms were signed shall be investigated by the Board. Any Player found to have signed registration forms for more than one Club, or any Club found to have knowingly induced a registered Player of another Club to sign a registration form, shall be dealt with by the Board in such a manner as it shall think fit.

- 6.4.7 A Club may name up to a maximum of five (5) players on a Team Sheet who are either Short Term Loan, Long Term, [Youth Loan] or Work Experience. Any Club in breach of this Rule which results in more than 5 of such players entering the field of play during the course of any one fixture will be deemed to have played an ineligible player(s) and will be dealt with in accordance with Rule 6.9.
- 6.4.8 The Company may, at its discretion, refuse any further registration of players, i.e. place under a registration embargo, any Club which has not completed payment of a transfer or loan arrangement made with another Club (or club) or arranged for the payment to be adequately secured. The Club (or club) which holds the Player's Contract will continue to pay the Player in accordance with his Contract.

Such Contract Player does not become a registered Player of the Club seeking his transfer until the form has been approved and registered by The FA and the Competition.

CANCELLATIONS

Where a Club cancels the registration of a Contract Player, for any reason whatsoever, the Club must notify the Competition Secretary and The FA immediately, in writing or on the relevant Competition /FA form. To be valid, such notification must be signed by an authorised signatory of that Club and the Player. Where a Club cancels the registration of a Non-Contract Player for any reason whatsoever, the Club must notify the Competition Secretary immediately, in writing or on the relevant Competition form. To be valid, such notification must be signed by an authorised signatory of the Club.
