MATCH REPORTS

Whilst it is not mandatory to send in match reports, any budding Fabrizio Romano's, Henry Winter's or Miguel Delaney's are more than welcome to send in their offerings which will be included each week. Midweek reports need to be in by the Friday evening of the relevant week, whilst for Saturday games I must have them by 21:30 to allow for time to process for the publication deadline. Get writing. Thanks in advance.

We'll start this week with a couple from week ending 2 August that reached the editors desk just too late for inclusion.

Saturday 2 August- Emirates FA Cup Extra Preliminary Round

Hamworthy Recreation 1-2 Hartley Wintney

Reporter- John Hutchings

No FA cup run for Rec this year after this defeat to Isthmian League Hartley Wintney. Rec will be kicking themselves for not taking advantage of their first half superiority. After going in front on 19 minutes they

missed chances to double the lead, before falling for the sucker punch and conceding an equaliser in first half stoppage time.

A half time rollicking for the visitors saw them dominate the second half, as Rec struggled to contain them. But some dogged home defending looked likely to earn a replay, before a goal near the end saw Hartley through.

A good early cross from Ash Pope caused concerns for the visitors, before being cleared. Then Aaron Roberts played in Chris Long, only for him to scuff his shot. But on 19 Roberts sent LONG away again and this time his low, left-foot shot beat Jupp, in the Hartley goal, to put Rec one up.

Roberts was impressing in midfield, for Rec and his pass found Pope, who in turn, played in Max Wilcock for a great chance, but Jupp saved well. Another goal then would have put Rec firmly in the driving seat, but instead it was the visitors who rallied and both Ford and Horgan put chances over the Rec bar. But in stoppage time Calvin CAMARA picked up a loose ball and weaved his way into the box, shrugging off challenges and planted his shot beyond home stopper, Felix Bruce.

HT 1-1

Hartley started the second half in lively fashion. Rec were grateful to Harvey Doe for a great headed clearance and Haile had a shot blocked, before Alex Body missed the best chance- firing over from close-range.

Rec were struggling to create anything, but a good cross from Long was headed back by Wilcock for Eddie Hodge to volley a shot, saved by Jupp, before the visiting keeper did well to keep out Wilcock's attempt. But the visitors pressure finally paid off on 84, when a dangerous from the right was neatly put away at the far post by BODY, to send the Hampshire team through to the next round.

FT 1-2

Saturday 2 August- Emirates FA Cup Extra Preliminary Round

Hythe & Dibden 3-1 Portland United

Reporter- Dave Ring

On a scorching Saturday afternoon at the Hythe Garage Services Stadium, Portland United's 2025/26 FA Cup journey ended abruptly with a 3-1 defeat to a lively and well-organised Hythe & Dibden side. The first half was an even affair, with both teams probing but failing to land any decisive blows. Portland carved out a few half-chances and enjoyed spells of possession but couldn't quite find their rhythm or assert any real dominance. The warning signs were there, though, and after the break, the hosts struck with intent. Hythe & Dibden opened the scoring in the 50th minute, capitalising on a lapse in concentration from the Blues who were caught flat-footed at the back. The goal by Harrison FAY sparked the home side into life and they doubled their lead 15 minutes later with a precise, well-placed finish from Marcel LAPTAS that left the Portland keeper with little chance.

Looking for a response, assistant manager Jamie Symes rang the changes on 66 minutes, Josh Camp replaced the industrious Greg Borthwick, while Hayden Scott came on for the hard working Marcus Smith in an effort to reinvigorate the Blues. Shortly after, Freddy Beale entered the fray in the 72nd minute, taking the place of the impressive James Coat.

But it was Hythe & Dibden who struck again, sealing the win with a third goal in the 75th minute by Harrison CLARK, clinical, composed, and a just reward for their control of proceedings.

To their credit, Portland continued to battle, and in the third minute of stoppage time, they grabbed a consolation. A cracking Remus NIXON strike from just outside the box nestled into the top-left corner, arguably the goal of the game, but it was too little, too late.

Despite some spirited moments and a handful of chances, Portland never truly looked in control. It was a frustrating afternoon where effort wasn't in doubt, but execution fell short.

Not the start they hoped for in this historic competition, but the league campaign offers the perfect chance to bounce back. Credit to Hythe & Dibden, who were worthy winners on the day. We wish them all the best in the next round.

Tuesday 5 August- Premier Division

Petersfield Town 1-0 Andover New Street

Reporter- Robin Caddy

It was a first home game back in the Velocity Wessex League for Petersfield Town on Tuesday, and a crowd of 171 descended on Love Lane to enjoy some summer evening football. The word amongst the home contingent was that they are delighted to be back in the Wessex League for this campaign, much less travelling ahead. Andover New Street are much fancied this season, and The Rams looked decent against Brockenhurst last week - hopes were high for a great game of football.

What we got wasn't exactly the classic game of two halves, but an incident before half time did change things substantially for the second 45 minutes. Andover New Street started very brightly, with a succession of probing balls and half chances from corners. Charlie Barlow and especially Claudio Herbert were making all kinds of great runs, and Zachary Hine was playing a very effective role of finding them with some excellent play from midfield.

Ellis Grant had to be at his best in goal for The Rams, making a double save in the 21st minute. It started to feel like one way traffic, especially when a poor defensive pass across the penalty area put Barlow in on 24 minutes, only for him to shoot just over from the penalty spot.

Eventually after 41 minutes Petersfield have a chance of note, a shot by Kian Towse is deflected behind for a corner. The corner just cannot be dealt with by Bartram or the defence, one chance, two chances, third chance - the ball is smashed home by defender Harrison HIDE. The visitors appeal to the ref that Bartram has been impeded along the way but the goal stands.

Just three minutes later, the ref has something else to think about as a huge scrum forms after a visiting player goes down. During the ensuing scenes Street's George Bennett is judged to have led with his head while debating the finer points of what has just occurred. Another player goes down, and it starts to look like it could get seriously out of hand. The Ref and his assistants deal with it well, in the aftermath Bennett is infuriated to be red-carded, and both captains are cautioned presumably in regard of the ill-discipline both sides have shown.

Half time comes not a moment too soon, and all the talk around the ground is of who did what to whom, and not of what a great performance ANS had put in for forty minutes, before going one down against the run of play.

HT 1-0

And so to the second half, which will not need as much describing as the first. Ultimately Petersfield were maybe a little over-cautious against ten men, not really pushing forward as much as you might expect. Andover New Street kept going, and made a few decent chances, but ultimately could not break through.

Their best chance came a couple of minutes in to added time when Petersfield Town keeper Ellis Grant was once again called on to smother the ball and ultimately keep his second clean sheet in two games. Andover New Street look like a decent team and will surely be in the mix come the end of the season, but it's The Rams sitting pretty at the moment - played two, won two - four goals for, zero against.

FT 1-0

Saturday 9 August- Division One

Kintbury Rangers 1-1 Cove

Reporter- Gary Day

A meeting between two clubs formed in the 19th century but as Kintbury are affiliated with Berks & Bucks FA and Cove with Hampshire, it may be unlikely that their paths had crossed before. This was Kintbury's home Wessex League debut at an idyllic tree-lined ground on a sunny and warm afternoon.

The visitors opened well as Kintbury defenders Josh Wallin and Terry Patten defended sternly as both Will Peters and Mark Fawley threatened, and later Josh Wallin was once again in the right place to head clear from a Fawley cross.

Ref Tony Foster allowed the game to flow and played a good advantage in midfield and this resulted in Cove's Nathan Connolly's low cross just failing to pick out Peters in the middle. A little later Connolly worked a similar position and crossed low again but this time no teammate had moved into the box to receive the ball and the chance was lost.

Cove took a deserved lead on 22 minutes when a free kick from half-way was placed into the box, Fawley headed on and CONNOLLY ghosted behind a defender to apply a finish past the keeper. Kintbury continued to work hard defensively as Cove attacked further, Jesse Bowers covering well to concede a corner as Connolly appeared to be put through.

In a Kintbury attack, Bowers chipped a ball into the box but Cove keeper Stuart Norman held high under pressure. In first half stoppage time Jamie Wallin's shot for Kintbury was deflected into the path of Jack Alfonso, who fired over.

HT 0-1

Kintbury made a couple of changes at the break and enjoyed greater possession in the second half. They almost conceded early in the half though as a defender missed a header and Connolly was in but he slipped and lost control. Isaiah Williams linked well with Tyrese Georcelin for the home side and Williams received a return ball but fired wide.

Connolly almost increased Cove's lead as he was in space on the right and fired past the keeper but the ball came off the far post. There was a goalmouth scramble in the Cove goal which resulted in a corner and Harry Way's flag-kick went to the far post where Sean COOK netted with a classic striker's downward header, one-all.

Cove attempted a response as Jack Melbourne took the ball inside a defender but his shot was well tipped over by home keeper Jack North. Cove hit the post with a Cavan Atkinson header from a corner. Bowers and Clement Duodo were involved in a good home move that produced a shooting chance for Georcelin but it was held high by Norman. Cove tried hard for a stoppage time winner but Kay Hampson's shot was deflected clear and the final move of the game saw Muzi Mpofu cross but Fawley covered to clear for Cove. FT: 1-1.

Cove enjoyed the greater possession in the first half. It was a tough half for Kintbury but they had more of the game in the second period and fought hard to earn their first point as a Wessex League side.

**Saturday 9 August- Premier Division
Brockenhurst 0-2 Hamworthy Recreation
Reporter- Jon Renyard**

Not much of a preamble today. Going out of the FA Cup was a bit disappointing but it wasn't unexpected, and who needs the start of their season disrupted by a visit from AFC Portchester? Today's visitors: Hamworthy Recreation, who had a strong first season in the top flight last year. My guess is that they're looking to push on, too. As for the Badgers: the list of absentees – injured, suspended, holiday or otherwise unavailable – is getting faintly ridiculous. By my reckoning, of the outfield players, about three would have started in the same position if the full squad were fit. That's not meant as a criticism or an excuse; but it probably says quite a lot about the game. Despite, I might add, Brock modelling their new kit for the first time.

This was a very comfortable afternoon for the visitors, who are probably scratching their heads at how the scoreline ended a moderately respectable 2-0. They dominated the game throughout, without ever needing to be at their best, and were able to keep Brock at arm's length pretty much all afternoon. To be fair to the Badgers, the list of the injured or otherwise unavailable would now form a pretty decent telephone directory, which doesn't make for an easy life for the manager!

Chris Long should have opened the scoring for the visitors in the 9th minute but headed straight at Valero from about ten yards; four minutes later Wilcock reached the byline and his cross flew through the box and away. Satterley shot high from 25 yards – not a bad effort but not troubling the keeper. Rec were controlling the midfield and Brock couldn't get a toehold, but somehow the game remained scoreless... and then a flicker, a sharp pass into the box from Henry Brooks which Burgess couldn't quite reach.

Shortly after, a chip into the box which Sam Woodward, with his back to goal, tried to bring down – had he spotted the onrushing keeper he might have tried a first-time shot or even a backheel but the danger was averted. The flicker did not, however, become a flame: Rec continued to push hardest, Batley outstanding in the Brock defence with tackles, blocks, defensive runs and a lot of shouting at his teammates! But on 40 minutes, another slick move and this time it paid off: Wilcock with a neat pass to the left of the box, and Aaron ROBERTS arrived to pass the ball beyond Valero into the far corner and give the visitors the lead.

HT 0-1

Rec started the second half in the same way: well organised, well drilled, knew their game plan and delivered it well. Even so, another flicker – Burgess coming out from the back, perfectly weighted pass through to Brooks – excellent defending from Regan Mason who just got in front of him and snuffed out the chance.

But on 52, the Badgers lost the ball in midfield, a run and cross on the right, Max WILCOCK in splendid, unmarked isolation to volley home past Valero into the far corner for the second. That always looked likely to be the game; Brock hadn't offered much going forward, and two goals was a big ask. There was one clever corner routine from Rec – played to the near post, Harvey Doe with a flick and Valero with an excellent reaction save. The same player made a clever run into the box at a free kick, arriving beyond the defence but shooting well wide... another loss of possession, Blair shooting wide when well placed... sub Josh Toop was sent through on goal, 1 on 1, but Valero made the save, as he did again 7 minutes from time when he tipped an Satterley shot over the bar.

There had been one more classy bit of defending from Mason, nipping in ahead of Brooks to head back to keeper Murphy, but the scoring was done for the day.

Saturday 9 August- Premier Division

Millbrook 5-1 New Milton Town

Reporter- Robin Caddy

New Milton Town have a long and interesting history, a new chapter of which began at Test Park today as they returned to the Velocity Wessex League Premier Division for the first time in over a decade. There has been a lot of positivity around the club after their title winning season, and I was looking forward to seeing them in action against a Millbrook team that looks very different from the end of last season at St Marys, with a new management team too.

It was wall to wall sunshine at Test Park today, where a crowd of 110 gathered. I must mention the ground staff, the pitch is the best I have seen so far this season. We all know what a tough year it has been in terms of rainfall (lack of) so no criticism implied of other grounds, but credit where it is due here.

So many new faces in the Millbrook team, but it's fan favourite Bobby Gorman showing his usual flair for attacking football, marauding down the left, first putting in a probing cross that new boy (and former Stoneham favourite) Scott Hills can't quite get on target. A few minutes later HILLS shoots from maybe 25 yards, Jamie White can't quite connect with but maybe puts off the keeper as the ball squirms in to the net with 28 minutes gone.

Then on 32 minutes more great work from Gorman results in a ball that Docker's stalwart Callum Drake heads towards goal, the ball is scrambled clear initially only to fall to DRAKE once more just a couple of yards out, making it 2-0 Millbrook.

Before half time Jamie White shoots from 25 yards, the New Milton Town keeper tips it over, New Milton have a good chance themselves just before the break but the home team are definitely in charge here at half time.

HT 2-0

Millbrook start the second half brightly, and it's Hills who goes close again - an airborne volley going just over. Then Callum Parker, who joined in the summer but goes back with some of these Millbrook players a long way to the Bush Hill days, should score, he must score, he's one on one with the keeper. No one knows how but the keeper must take some credit - it's still only 2-0.

This must have some galvanising effect on New Milton Town as they have an excellent chance, brilliantly saved by new Millbrook keeper Jon Webb. Then two minutes later Harry McGRATH rounds the keeper to give New Milton Town a way back in to this exciting game. 2-1, 65 minutes played.

Things calm down a bit before New Milton Town really come alive with three chances in two minutes, and then a strong penalty shout is turned down, Millbrook counter, as Jamie White takes one of the most perfect touches to control a long ball you will see all season, before shooting just over.

Callum Drake has a good effort tipped wide on 85 minutes, then two minutes later Millbrook subs combine as Josh Ball crosses low from the right and another new boy Harry VIDLER makes it 3-1 to Millbrook.

As we enter added time New Milton Town keep going and have two more good efforts before the final whistle eventually goes.

FT 3-1

Millbrook look good on this showing, and the many new arrivals are settling in well. New Milton Town will have hoped for more today but look like they will cope well with the step up.

ONLY THE CAPTAIN

As part of the recent changes to the Laws of the Game (2025/26) approved by IFAB in March, the “**Only the Captain**” protocol will be applied across all competitions in England starting from the new season.

Purpose and Rationale

The protocol is designed to strengthen respect between players and referees by formalising that only the team captain may approach the referee to discuss key decisions. The aim is to reduce incidents of mobbing, dissent, and intimidation of match officials- improving the environment for everyone involved in the game.

Key Points

- Normal, respectful interactions with referees are still permitted; however, dissent (by word or action) remains a yellow card offence- even for captains.
- Only the captain from each team is allowed to approach the referee on major decisions.
- Captains are responsible for ensuring teammates stay away from the referee during these moments.
- Referees may delay the restart to allow captains to communicate messages back to their teams if necessary.

Additional Details

- If the goalkeeper is the team captain, an outfield player must be nominated to fulfil this role for referee interactions.
- A “captain-only zone” of 4 metres will be established around the referee; no other players are permitted within this area.
- Any non-captain entering this zone should be cautioned for dissent by action. If multiple players enter, at least one must be cautioned, and the incident will be reported to the relevant authorities.
- Competition organisers are encouraged to introduce sanctions for repeated breaches across the season.

National Implementation

This protocol will be implemented consistently across:

- All professional competitions
- The National League Pyramids
- County FA-administered football

The approach is to create alignment and consistency from the top tiers to grassroots, improving behaviour towards match officials at every level.

Education and Communication

The new initiative is currently being rolled out to referees, County FAs, Referee Development Officers, and other stakeholders to ensure clear understanding and consistent application.

All leagues have been instructed to send communication to clubs to ensure teams are fully aware of the expectations and can prepare accordingly.

Although IFAB have included an arm signal to initiate the protocol at these levels, in England we will not adopt this. Referees will manage the protocol themselves, using their existing match management skills.

ADOBE WOMEN'S FA CUP

For 2025/26 there are 538 entrants to this competition. Nine of our member clubs have a women's section and these are AFC Stoneham, Andover New Street, Bemerton Heath Harlequins, Bournemouth (*), Frimley Green (*), Millbrook (*), Sherborne Town, United Services Portsmouth and Yateley United (*).

The four marked with an asterisk (*) are new entrants this season.

Bournemouth were known as Longham in 2024/25 and Frimley Green as Woking. Sherborne Town are exempt to the Second Round Qualifying.

Midweek action from the Servio Hampshire Senior Cup. Bournemouth (red) were best of three winners on a warm evening at Victoria Park against Newport IOW.

Wednesday night was again Hampshire Servio Senior Cuo action. Due to floodlight issues at the home of the Brickmakers, the tie was played at Verwood Town. The "visitors" Hythe & Dibden (green) progressed 3-2 although New Milton nearly got a shout at a penalty shootout having trailed 3-0 with 40 minutes left.

Roger Allen was at The Dell this afternoon for Laverstock & Ford (green) against Baffins Milton Rovers. The game ended 5-0 with all the goals coming in the second half.

Sara Taylor was at Hythe for the visit of Christchurch (blue) to the home of the Mariners. The visitors bagged the points with a 2-1 victory.

Today Test Park was the venue for Millbrook (grey) as they took on Premier Division new boys New Milton Town. Robin Caddy was on hand to capture the action, which ended in a 3-1 win for the Dockers.

With just eight minutes of normal time Petersfield Town (blue) maintained their 100% start to life in the Premier Division, It ended 2-1 to the Rams at Downton, but the afternoon saw a serious injury to Lee-Brad Haensel in added on time. We trust the player makes a speedy recovery.

And finally, Ian Grainger was at Powder Monkey Park where the two sides- Fleetlands (red) and AFC Aldermaston shared four goals and the points. The visitors went ahead early levelling it in added on time.
