Hello Oklahoma Lions!

“Lead to Serve, Serve to Lead” is our Lions International President, A.P. Singh’s theme. When I was District Governor, Past Lions International President Douglas Alexander’s theme was “Service from the Heart.” I believe my theme is “Service with Joy”. All these themes emphasize service!

Let's focus on projects that bring us joy. I believe that joy is the final component that amplifies our service projects. Lions Club International has eight major focus areas: Childhood Cancer, Diabetes, Disaster Relief, Environment, Humanitarian Efforts, Hunger, Vision, and Youth. A project spearheaded by someone who truly believes in a particular focus area is more likely to succeed. This lion leader is serving from the heart. They are serving with joy! As Lions, we don't always have the luxury of serving on projects that we like. However, if we can find Lions that are truly **stoked** about serving in these focus areas, we will be successful. Service with joy is contagious!

This year, Lions and Leos from around the world are coming together for three weeks of exceptional service. The first of these “Weeks of Service” focuses on mental health and well-being. Let's look at a few mental health statistics from the World Health Organization:

- 1 in 7 youths aged 10 to 19 suffer from mental health conditions, although many of these conditions are unrecognized and untreated.
- Fourteen percent of adults 60+ live with a mental health disorder. Loneliness and social isolation are key risk factors.
- Twenty countries still criminalize attempted suicide. Those with mental health conditions face stigma and discrimination around the world.

Mental Health and Well-being Week is October 4-12, 2025. Consider how your Lions club can promote mental health and well-being in your community.

The other two “Weeks of Service” are hunger (January 3-11, 2026) and Environment (April 18-26, 2026).

The **Peace Poster** dates to remember are: The

deadline to buy the Peace Poster kit is October 1, 2025. The Peace Posters must be submitted to the district governors by November 15, 2025.

On the local front, Valerie and I had the pleasure of attending the County Commissioners' statewide event. We were joined by James T. Owen, who drives for The Oklahoma Service Foundation Mobile Health Unit. We screened 26 people.

We also met a new Lion, Rusty Thomas, from the Fairview Lions Club. Rusty asked me how to get pins for his new Lion vest. I was going to give him a pin from my vest, but then I remembered, I had a new pin in my vest pocket. I had the privilege of giving Rusty his first Lions pin. A shout goes out to Lion Rusty. A special thanks goes out to James Owen for a great job!

Valerie and I have enjoyed receiving the LION magazine. If you are not receiving your copy of the Lion, please call (630) 468-7070 or email MemberServiceCenter@lionsclub.org. The LION Magazine can be accessed online at: lionmagazine.org

Lions Club International is Introducing Lion AI. Ask Lion AI a question and see if it gives you the correct answer and directs you to the right place. I may be too amused by this, but I remember a time when I could not even log on to My Lion. My Lion and the LION magazine are improving. Kudos to LCI.

Until the next time, let's serve with joy!

Greetings MD 3-E Lions!

We held our first cabinet meeting on August 16, 2025, in Henryetta with 27 Lions in attendance. The Henryetta Lions Club served as our host, providing us with coffee and donuts! PCC Neal Wood started our meeting off with some lively music before we got down to the business of District 3E.

District 3E voted to start a yearly **award honoring PID Jim Sullivan**, to be given out at the District's Mid-Winter Convention. This award is to be given to a Lion who has been a Lion for 5 or more years and someone who reflects true LIONISM! This Lion should have a heart of service, volunteerism, and a commitment to carry those forward. The deadline for nominations are to be turned into the District Governor by January 15, 2026.

PDG Tony Dowell gave a presentation on **Lions Quest**, PCC Marshall Brence gave a presentation on LCIF, and Lion Amber Mordecai gave a presentation on marketing and service, giving us several good ideas. There were some one on one training sessions, several door prizes, and PCC Neal Wood led us in a Team Building game while lunch was being set up.

I want to thank everyone who attended and to all those that helped! Summer is ending and our clubs are completing their summer projects and gearing up for their fall activities. Some of those activities are:

The Broken Arrow Lions partnered with the **Tulsa Downtown Lions** to do KidSight screenings at the Back to School Bash. **Tulsa** also did two more screenings,

glasses, and providing glasses to the needy.

The Coweta Lions Club awarded \$7500 in Scholarships to students at their High School. Now they are busy planning for their 78th Annual Chicken Fry to be held September 5th (flyer attached).

The Heavener Lions Club is busy planning for their Annual 70+ Carnival to be held October 4th, 2025 and maintaining their Community Deer Park.

The Henryetta Lions Club hosted our District Cabinet amidst

getting ready for their 6th Annual Cornhole Tournament which is being held August 30th & 31st.

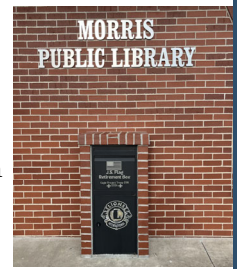

The McAlester Lions Club provided KidSight Screenings at the McAlester Back To School Bash and partnered with Mike's Club on one of their community service projects.

The Broken Bow Lions are busy planning their fall events, especially their annual "First Responders Lunch", collecting eye

The Morris Lions Club is planning their Annual Car Show which will be held September 27th, 2025 (flyer attached). They continue with their sponsorship of the Morris Public Library and recently collaborated with Boy Scout Troop 298 on their Eagle Scout project to place a permanent Flag retirement box at the Library

The Okmulgee Lions Club held an eye glass sorting service project at their recent meeting.

The Wilburton Lions Club participated in the Back to School Bash with hammering the nail for education and giving out pencils to the kids.

The Pocola Lions Club members are busy selling their Community Calendars.

The Pryor Lions Club held their 16th Annual Night Golf Tournament, selling out a month before their first tee time. They did Kid-Sight Screenings at the Tulsa Expo Back to School Bash.

The Sallisaw Lions Club recently held their 81st Rodeo and said it was one of their most successful rodeos.

The Wagoner Lions Club is busy getting ready for their 17th Annual Golf Tournament to be held on October 10, 2025. Our District will be hosting the next Council Meeting on November 8th, where we will be honoring our Veterans and doing a little service. Our next District Cabinet meeting will be Nov. 1st.

DG Nancy Wood

At the State Office :

The Building Committee has been busy with a work day in August!!!

CC Mark Adair, PDGs J.D. and Mary Koch, PCC Neal Wood, DG Nancy Wood and

Lion Phil Hendrick trimmed bushes, re-caulked our windows, set pavers out front and put mulch in the flower beds. Then after the Council meeting several Lions helped finish the mulch. Phil also repaired the toilet in the ladies bathroom this week which had been leaking and had made our water bill higher than normal! Thanks Phil! We appreciate all of those who helped!

New Flags!

We now have all new flags in front of our office! Oklahoma City Northwest Lions Club had just replaced the Lions Club flag when Lion Phil noticed that the American flag was lying in the bush beside the Lion. Phil got a new American flag and also an Oklahoma flag and then installed them! Thanks Phil for all you do for Lions!

The Eyeglass Trailer loaded up and ready to make the trip to Midland!

NORTH ENID LIONS
Had a teacher and staff

Hello 3 NW Lions!

Happy September, Good Lions! I have enjoyed visiting your Clubs and celebrating the wonderful summer we all had. Service is key, and you all are representing in style! July and August took me to Ringwood, Cherokee, Medford, Garber, Canton, Perkins, Davenport, Perry, Stillwater, and Chandler.

PEACE POSTER/ESSAY AND SPEECH CONTESTS are my focus. Please consider offering these opportunities to your communities. If there are school districts near you that do not have a local Lions Club, you can serve those students and their families by offering to sponsor the contest! This is a wonderful way to get in front of their parents and school administration – all great potential Club members! **POSTER AND ESSAY DEADLINES ARE NOVEMBER 15** – so don't delay. **SPEECH DEADLINE** is in January.

LEO CLUBS – This is an easy ask – high school students need leadership training. There are already groups in the school that are serving in the community. Partner with them and increase your reach. Learn who the teacher/sponsor is and schedule a meeting soon. They will be very interested in the training we have available for them! Call/text/email me and we can get a plan for your local school to charter a LEO club this semester.

September has me cruising out to Crescent, Ponca Noon, Ponca After 5, Burlington, Cushing, Fairview, Jet, Stroud, Wakita, and Weatherford. If I haven't heard back from your Club regarding a visitation, please consider reaching out to me!

LAVERNE LIONS CLUB – They continue with their monthly Bingo nights, and are planning to start Student of the Quarter and vision screening at the school. One of their Club members, PDG Barbara Swineford, has been chosen to participate in the next Oklahoma Warrior Honor Flight. Swineford represented Women in the Air Force as Miss Air Force in 1954 AND was selected to represent WAFs for the 50th Anniversary of powered flight. We are so proud of Barbara!

STILLWATER LIONS CLUB - The Stillwater Noon Lions continue conducting vision screenings and providing shopping assistance at

Our Daily Bread and conducting vision screenings at the Payne County

Fair. Members rang bells at The Salvation Army's Christmas in July fundraiser and are packing weekend food sacks for school-age children. Donations of hygiene products were given to the Pioneer Pantry and

members fed Lincoln Academy faculty and staff at a back-to-school cook-out.

They also found time to install new officers!

PERKINS LIONS CLUB – Our "Fine Upstanding Young American" awards are kicking off this month! We recognize a junior each month with a gift card and certificate. Plan are in full swing for our **SECOND ANNUAL CAR SHOW October 25**.

We have several Platinum sponsors already secured. We are accepting entries! Please see the registration form in this newsletter.

tims and adopted a family for Back to School Supplies!

A Visit to Leader Dog

August 23, 2025 I was invited, along with 30 other Lions from around the US, to attend the Leader Dogs for the Blind conference near Detroit Michigan.

I had no idea what a huge facility Leader Dogs is. I expected a single building, or perhaps a unit in a strip mall, but as the chartered bus drove us through their gates onto their campus, I was in awe! It was huge!

The morning started with us being dropped off at their front door. We were welcomed and introduced to various members of the staff and a few of their board members. We were given the history of Leader Dog and Lions and who and how they serve. They are celebrating their 85th year of serving this year.

We were given a tour of the complete facility and we participated in a couple of activities which included being blind folded and walking with

the white cane, then still blind folded held the harness of a service dog and walked outside down a sidewalk and across their parking lot. Our lunch was their traditional meal of chili and donuts. You could eat them together or do like I did and eat the chili first, then have the donut for dessert.

That evening we had our dinner served to us with our blind folds on and that took a lot of effort not to knock over any glasses of water, find

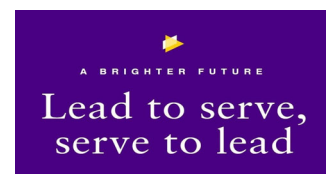

the salt and pepper, and cut our meat on our plate. The finale was getting to hear a motivational speech from B.J. Blahnik, a man that has retinitis pigmentosa (also called R P) since age 8. B.J. will be speaking at

USA Canada and I highly recommend you not miss him!

All in all, this was a wonderful experience and I believe it will be an annual opportunity for the 1st VDGs from all over the US and Canada. There are statistics attached to this newsletter about Leader Dog and Oklahoma. They have a new marketing person who is over Oklahoma as well as other states and are interested in making stronger connections with our state!

**District 3-SW
Governor
Frances Poindexter
405-642-1068
lion.frances.poindexter@gmail.com**

Greetings 3 SW!

In the last month our membership went from **913 to 918, a gain of 5 new members!** Thank you to all the clubs that are adding new members! We need each of our clubs to grow this year. Our goal is to add at least 2 new members for each club while retaining their current members. We can do this and more if we set our minds to growing again. We need to have fun in our clubs so people will want to come and see what Lions are all about.

Since the last newsletter I have been busy setting up clubs for visitation. So far, I have 7 more clubs scheduled. I am looking forward to experience what each of our clubs are doing. I hope to see them grow in the next few months.

August 8, 2025, I had my first cabinet meeting with 21 in attendance. All of my GAT team members were present with reports on how we can grow our membership and clubs. We have had two GAT meetings together since the first of July and hope to meet at least every other month to get support and ideas for our District. At this meeting, we had several zone chairs and club presidents that reported on their clubs.

We also had our first zone chair meeting with all but one zone chair member present. I hope to see all of them at our next meeting on August 27, 2025. Our zone chairs are very important to our clubs, so I hope that each club will accept them and listen to any ideas that they might have to help you grow in membership.

August 9, 2025 was our first Council Meeting with all of the new Governors. Thank you to all that

were able to attend this meeting. I hope to see more of you at the next 3 meetings held, November 8, 2025, January 24, 2026 and June 20th, 2026. These meetings are very important for you to get updates on our districts and all the organizations we

support. State projects such as Meadows of Hope, Oklahoma Eye Bank and Briggs, are just a few.

Its time to look for school age children to participate in the Peace Poster contest.

The youth Speech Competition is also coming up. Grades 9, 10, 11, and 12th are eligible for this competition. We have talented students all over Oklahoma, let's find someone in each of these categories to represent Oklahoma Lions.

It's time to think about the USA/ Canada Forum held on September 17 -21st in Atlantic City. If you've never been, it is a great opportunity to meet Lions from around the world.

Here is my contact information for setting visit schedules. If you have a special need or event, please contact me to allow enough time to schedule a visit. Also send me pictures of your events or projects so we can add them in our next newsletter. Newsletter Deadline is the 20th of the month. Thank you!

Owen, Jacque Mooney, Judy Beck, Ron Hancock, Randy Hill, Joseph Nieto, Mark and Valerie Adair, Sue Thompson, DG Frances Poindexter, Kelly Bahler, and DG Sharyl Pickens!

White Cane Month - October

International White Cane Safety Day is an opportunity to increase awareness about the white cane, which:

- Signifies that the pedestrian using it is blind or visually impaired;
- Alerts motorists of the need to exercise special caution and provide the user the right of way;
- Symbolizes the independence, confidence and skills of the person who is using it.

1964: the U.S. Congress approved a resolution authorizing the President of the US to annually issue a proclamation designating October 15th* as "National White Cane Safety Day." 1969: the International Federation of the Blind adopted October 15th* as "International White Cane Safety Day."

* The above referenced date is a suggested date. Lions clubs are free to hold awareness events according to the schedule of the club and the community it serves.

An Eternal Memory...
...Until We Meet Again

Those special memories of you
 will always bring a smile
 if only I could have you back
 for just a little while
 Then we could sit and talk again
 just like we used to do
 you always meant so very much
 and always will do too
 The fact that you're no longer here
 will always cause me pain
 but you're forever in my heart
 until we meet again

2024-2025 Memorials

In Memory of those who go before us, we acknowledge their accomplishments, service, and legacy. Mostly, we honor them with love. The love they had for their community and the services they provided through Oklahoma Lions. This is the legacy that lasts forever!
